HOW DO I OBTAIN THESE PERKS?

- Retirees may obtain a retiree K-State ID card from the K-State ID Center by bringing an approved PER-39, Change or Separation Form to the center. This ID enables retirees access to all services that require an ID card, such as those offered by the K-State Libraries.
- Parking permits are available at no charge and may be obtained by bringing a retiree K-State ID card or an approved PER-39, Change or Separation Form to the parking garage. Please note, the retiree parking permit does not give automatic access to the parking garage and there may be an additional cost for that permit.
- Membership to the Peters Recreation Complex is available at no charge. Bring your retiree K-State ID card to the Recreation Services office to obtain membership.
- Retirees qualify for the faculty/staff ticketing rate for McCain events. Valid IDs are required.
- Retirees qualify for the faculty/staff ticketing rate for K-State Athletics events. Valid IDs are required.
