

## **Attestation of Compliance With COVID-19 Vaccine Requirement**

All Kansas State University employees must be fully vaccinated against COVID-19 to comply with Executive Order 14042 and the Safer Federal Workforce Task Force Guidance for federal contractors. This requirement applies to all K-State faculty and staff as well as graduate and undergraduate student employees.

By signing below, I affirm that I have reviewed and understand the vaccine requirement as described in the position announcement, application, onboarding materials, and the K-State COVID-19 website, and understand that, before the start date of my employment at K-State, I must either: 1) become fully vaccinated against COVID-19; or 2) receive an approved medical or religious exemption. I will follow all applicable instructions for providing proof of vaccination or requesting a religious or medical exemption.

I HEREBY ATTEST that I will be compliant with this requirement by the start date of my employment and acknowledge that my failure to comply may result in revocation of an offer of employment or termination of employment.
