After this session, all check-ins will be done at the ISC front desk in the Taiwan Wing during the following times:
Monday-Friday 9am-4pm.

What do I need to bring to the Check-In Session?

In order for Kansas State University to register you in SEVIS (U.S. Immigration’s database), you must provide your passport with your port of entry stamp, I-94 (card or electronic print-out) and your I-20 or DS-2019. You will also be required to fill out an information sheet (given to you at the Check-In Session) which you will need to provide the U.S. address that you will be living at during your time at K-State. If you are not registered in SEVIS, you will be out of status, which means you will be in the country unlawfully.

*The U.S. Customs and Border Protection (CBP) Agency has changed their process of issuing a paper I-94. International Non-Immigrant visitors will no longer fill out a paper Form I-94 Arrival/Departure Record upon arrival to the U.S. by air or sea. The agency will gather travelers’ arrival/departure information automatically from their electronic travel records. To print your electronic I-94 admission number please go to: www.CBP.gov/I94. Once you have accessed your I-94 record, please print it off and keep it with your other important documents.

Please remember that your attendance is REQUIRED all day for the International Student Orientation on Monday, January 13, 2020 in 105 Umberger Hall!

Registration will begin at 8:15 a.m. in front of Umberger Hall.
