

Reduced Course Load (RCL) for F-1 and J-1

To maintain F-1 and J-1 status, international students must be enrolled in a full course of study each fall and spring semester. Summer enrollment is only required if it is the first or last semester of enrollment.

Full-time requirements for Fall and Spring:

- √ Undergraduate students are required to enroll for 12 credit hours.
- √ Graduate students are required to enroll for 9 credit hours.
 - √ Students holding a Teaching or Research Assistantship may be in 6 credit hours.
- √ ELP students are required to enroll in 18 credit hours.

Full-time requirements for Summer (if summer is first term):

- √ Undergraduate students are required to enroll for 12 credit hours.
- √ Graduate students are required to enroll for 6 credit hours.
 - √ Students holding a Teaching or Research Assistantship may be in 1 credit hours.
- √ ELP students are required to enroll in 18 credit hours.

Regulations provide limited circumstances when an international student may be authorized for an RCL. These include academic reasons, medical issues and completion of study during the final term. In order to request approval to reduce your course load, you must have this form completed and signed by you and your academic advisor/major professor/department graduate official or medical doctor. For Coursework Completion and Final Semester options, graduate students must also obtain the signature of the Dean of the Graduate School. Student and advisor will be notified if this request is denied.

Note:

- Students requesting final semester Reduced Course Load (RCL) approval needing to enroll in only one course, must ensure the one course is not online or distance education. You must enroll in a course that has an in-person instruction mode.
- Students approved for an RCL may not be eligible for student hourly or assistantship appointments. Student positions have a minimum enrollment requirement of 6 hours. Please visit with your department HCS liaison about this issue.

You must receive PRIOR permission from ISSS to reduce your course load.

Do not enroll for less than full course load or drop below a full course load without prior permission.

Permission to reduce is only valid for the semester indicated on this application. If you want to reduce your course load after the withdrawal deadline, additional permission is required from an Academic Dean.

Family First

E-mail: _____ Daytime Phone: _____

Visa Type: F-1 J-1 Major(s): _____ Education Level: Undergraduate Master's PhD

Semester for which a reduced course load is requested: _____
Semester/Year

Student's Signature: _____ Date: _____

To be completed by the Academic Advisor/Major Professor/Dept. Graduate Director/Medical Official

Please select the circumstances in which the student may be approved for enrolling less than full-time as well as the number of hours the student will enroll in for the semester requested above.

Academic Difficulties

- Initial difficulty with the English language or reading requirements.
- Unfamiliarity with U.S. teaching methods.
- Improper course level placement

Explanation supporting above reason _____

Indicate number of credit hours academically recommended the student enroll: _____

This exception requires the student to maintain at least half the required full-time course load (i.e., undergraduates must enroll for a minimum of 6 credit hours, graduate students for 5 credit hours). You may receive permission to reduce your credit load due to an academic difficulty only once during the current degree level.

Medical Condition

- Temporary illness or medical condition. This form must be submitted with the signature of an appropriate medical official (as described below) as well as a letter on letterhead signed by said official.

The letter must:

- 1) recommend the student reduce a course load due to medical reasons. The letter from the medical professional must state the semester and how many credit hours s/he recommends the student be enrolled (even if it is zero);
- 2) be signed by a U.S. licensed medical doctor, doctor of osteopathy, or U.S. licensed clinical psychologist; and
- 3) substantiate the illness or medical condition.

The following wording is suggested: As a "licensed medical doctor" in the United States (or doctor of osteopathy or licensed clinical psychologist), I recommend "Student's full name and date of birth" reduce his/her course load to include "X" number of hours (or withdraw from all classes) due to a temporary illness or medical condition for the "appropriate semester."

After receiving permission, the student may enroll for the number of credit hours recommended by the doctor. You may only receive this permission for a maximum of 12 months (2 academic semesters) during the current degree level.

Final semester or Completion of Formal Coursework

Undergraduate Student:

The student is in the final semester of his/her degree program and the remaining credit requirements is less than 12 hours. The student needs _____ number of credits to complete the degree.

Graduate Students: *An approved program of study must be on file in the Graduate School.*

- Non-Thesis Option- student is finishing all required coursework during the term requested and is scheduled to graduate the end of the semester noted on page 1 of this form.

Number remaining hours necessary to complete degree requirements: _____

- Thesis/Dissertation Option—student has completed all required coursework and will enroll in research hours only. (*coursework includes required research hours for degree requirements but may exclude enrollment beyond that for completion of thesis or dissertation*).

Number of research/thesis hours student will enroll for the semester requested: _____

After receiving permission from ISSS, the student is eligible to be enrolled for the number of credit hours stated on this form. If the application for a reduced course load is based on final semester, the end date on the I-20 or DS-2019 will be adjusted to reflect the actual program completion date and a new I-20 or DS-2019 will be issued.
