SEVIS Tranfer-In Form

All students currently in F-1 status at any type of institution (high school, college, university, intensive English institute) in the U.S. who plan to transfer to Kansas State University must complete the transfer procedure through SEVIS.

- Students who have been admitted to Kansas State University and wish to transfer their SEVIS records to Kansas State University must complete this form and email it to isss@ksu.edu

- Please work with your current school to release your **active** SEVISS record to Kansas State University.
    - If your SEVIS record is no longer in active status, please email isss@ksu.edu. A DSO will reach out to discuss your situation and options available.

- For **F-1 students**, our SEVIS School Code is **KAN214F00272000**. Additional information can be found online at https://www.k-state.edu/isss/students/f1/transfer_in.html.

- For **J-1 Students**, our SEVIS Program Code is **P-1-00780**. Additional information can be found online at
  https://www.k-state.edu/isss/students/j1/J1%20Transfer%20In.html.

Name: _____   **WILDCAT ID Number**:_____

Email Address: _____   **Phone Number**: _____

SEVIS ID Number: _____

Semester you intend to begin classes at K-State: Fall   Spring   Summer of   _____
                                                                                                                                             year
