All students, who need a Form I-20 (for F-1) or DS-2019 (for J-1), must provide financial documentation (dated within 1 year) to prove that he/she has sufficient funding to cover his/her expenses equal or greater than the estimated minimum yearly cost for an I-20 or estimated minimum cost for the entire period of study for a DS-2019.

- The estimates listed on the I-20 are based on average student costs. Estimated amount of funding includes tuition and fees, the $200/semester International Student Fee, room and board, books and supplies, medical insurance, and other expenses. Mandatory health insurance costs are included within the living expenses.
- Actual, individual costs will vary. Kansas State University assigns tuition & fees on a per credit hour basis. Individual students may also be assessed special fees based on specific program or course enrollment. To review the comprehensive fee schedule please see details at https://www.k-state.edu/finsvcs/cashiers/costs/.
- Students and their sponsors should expect a 5 to 10 percent increase in both tuition and cost of living for each year in attendance.
