

## Translation Instructions:

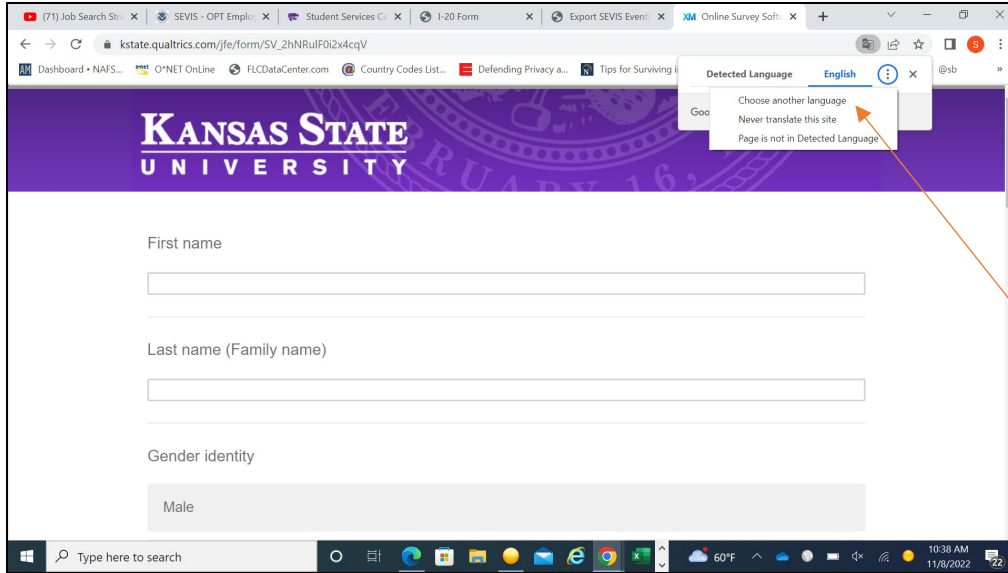

Once you open the survey link, right click on the screen. A dialogue box will pop up and you will select Translate to English. A second box will appear in the top right. Next click on the three vertical dots. From here you can select the down arrow and choose your preferred language from the list.

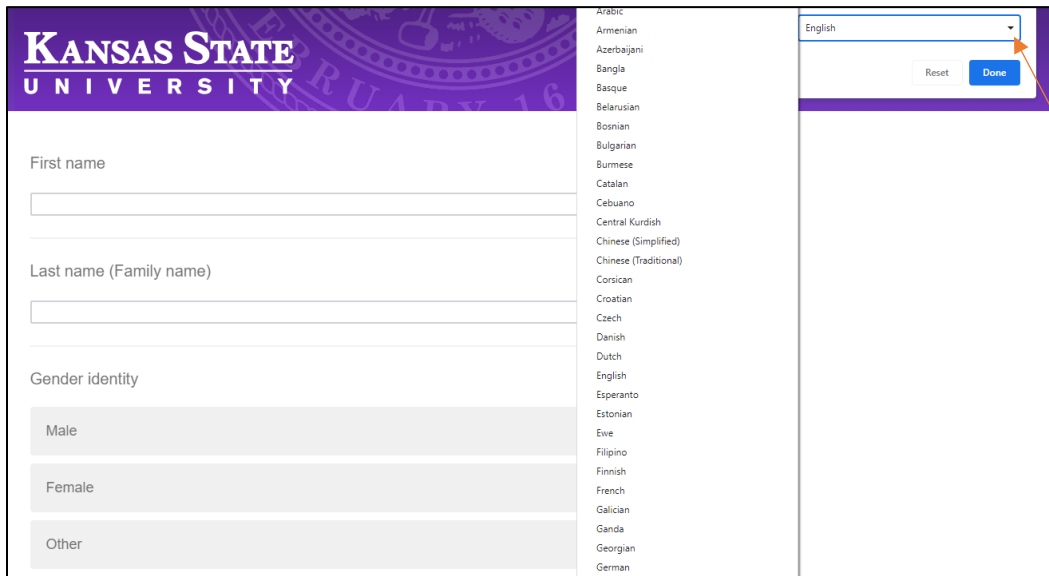

Select Translate to English

Click on the three vertical dots to select a language

Select "choose another language"

Click the drop-down arrow and select your preferred language from the list
