Software information

A software version of SAS is available for Microsoft Windows.

A copy of the SAS software must be licensed for each computer on which the software is used. The software is available only via download from K-State's secure license server.

Number of copies to be licensed _____

Agreement

I agree to comply with the terms of the license agreement between Kansas State University and the SAS Institute, incorporated herein by reference.

Signature _____ **Date** _____

Prices and payment

Office use only

Agreement # _____

An Interdepartmental Requisition (IDR) or purchase order must be attached to this form.

ITS will send an invoice for payment, prorated by month to the annual license expiration date of Sept. 1. Prices through Aug. 31 are listed in the adjacent chart.

Date of SAS purchase	Cost
Sept. 1 - Dec. 31	\$120
Jan. 1 - April 30	\$80
May 1 - Aug. 31	\$40

Example: A SAS license purchased in December will cost \$120 and is valid until Sept. 1 of next year.

Network or department-wide licenses. For information and pricing, contact:
sasadmin@k-state.edu
