

### **EXCITE! Shadow Day Volunteer Ambassador Position Description**

Ambassadors are volunteers who serve as a role model and chaperone at our Shadow Day events. Interested applicants do not need to be available for all Shadow Days to apply. Ambassadors will be paired with a high-school student who shares similar interests in science, technology, engineering, or mathematics (STEM). Together, the student and ambassador attend class, share lunch and tour campus. This position is uncompensated. Lunch in the form of a \$10 meal card to the KSU Student Union is provided by KAWSE. Please note: applying to be an ambassador does not guarantee that you will be selected as a volunteer.

### **Fall 2021 Shadow Days – September 22 and November 10, 2021**

**The KAWSE office seeks undergraduate students to volunteer as ambassadors to help with our Exploring Science, Technology and Engineering (EXCITE!) Shadow Days on Wednesday September 22 and/or November 10, 2021.** Interested applicants do not need to be available for all three days in order to be considered. The schedule of events is as follows:

#### Shadow Day

9:00-9:30 AM	Pick up student shadows from KSU Student Union
9:30 AM – 3:00 PM	One-on-one time with shadow: attend classes, tour campus, lunch @ KSU Student Union
3:00-3:30 PM	Drop off your shadow at KSU Student Union

Ambassadors are responsible for contacting their professors in advance to inform them of their shadows. Ambassadors are also responsible for filling time between classes (i.e., tour of campus, etc).

If you are interested in this opportunity and would like to be apply, please complete our [online application](#). If you have additional questions about this volunteer position, please contact Morgan Greene, program coordinator, at [morgangreene@ksu.edu](mailto:morgangreene@ksu.edu) or 785-532-6088.
