Congratulations! I am happy to inform you that you have been awarded a **\$5,000** Kansas State University **Medallion Scholarship**. During your freshman year, you will receive \$2,000, and if you maintain a 3.5 K-State GPA, your Medallion Scholarship will be renewed for \$1,000 for up to three additional years (sophomore, junior, and senior). The Medallion Scholarship acknowledges your academic performance and involvement in extracurricular activities while in high school. We realize that without involvement such as yours, many school, church and community organizations would not be able to accomplish their very worthwhile goals. As a result of your class rank, you will also receive a **\$2,000** First In Class Scholarship. This brings your total scholarship award to **\$7,000**. Your scholarship application will also be considered for additional offers by your academic department and college during our spring awarding process in March and April.

As a scholarship recipient, you are a great match for our very popular and nationally-recognized School of Leadership Studies. You will be invited to enroll in a section of "LEAD 212: Introduction to Leadership Studies" during your first semester on campus. The School of Leadership Studies is committed to developing knowledgeable, ethical, caring, and inclusive leaders for a diverse and changing world. During this course you will exercise leadership, engage in service opportunities, and become part of a learning community. Look for a mailing about LEAD 212 and the Leadership Studies minor.

Please accept this scholarship within two weeks by visiting isis.k-state.edu and logging into iSIS with your eID and password. Navigate to "Student Center" and then to "Finances." Choose "Accept/Decline Awards." If you have any questions regarding this award, please contact Larry Moeder, Assistant Vice President for Student Life/Director of Admissions and Student Financial Assistance, at 785-532-6420.
