

BECCA CANNON- MODERN LANGUAGES AMBASSADOR

My name is Becca Cannon, I am from Overland and I am a junior at K-State majoring in Architecture and minoring in Spanish! I have been studying Spanish for 10 years now and love the way it has allowed me to connect with people, visit new places, and pursue new opportunities. I hope to use Spanish in my career with international work, but also choose to continue Spanish because of the all experiences it's given me. I love to travel but I've found that Spanish even more so has allowed me to connect with others here in the US. It's given me a new perspectives and more appreciation for culture and diversity. Some of my interests include Traveling, the outdoors, music, Spanish, and art.
