BETWEEN

THE UNIVERSITY OF WESTERN AUSTRALIA

AND

KANSAS STATE UNIVERSITY

The University of Western Australia and Kansas State University seek to enhance relations between the two universities by developing academic and cultural interchange in teaching, research and other activities.

Within the framework of the regulations applying in each university, and subject to the availability of resources, the following programmes and activities will be encouraged:

- exchange of staff
- joint research activities
- joint conferences and other academic meetings
- exchange of academic materials and information
- exchange of students

The specific areas and details of cooperation within the framework of this agreement shall be discussed and agreed upon in writing by the appropriate authority of each university, prior to the initiation of any particular programme or activity.

The universities acknowledge that in the absence of any specific agreement to the contrary, all expenses of salary, travel, living and allied costs will be determined at the discretion and be the responsibility of the visitor's home university.

All visits of staff and the admission of students will be subject to compliance with entry and visa requirements of the two countries involved, and the requirements of the two universities.

The agreement shall become effective from the date of the last signature and remain in force for a period of five (5) years with the understanding that it may be terminated by either party giving six months notice to the other party in writing. It may be extended by mutual consent of the two universities, or amended by the exchange of letters.

At The University of Western Australia, the administration of this agreement is vested in the Director of the International Centre, and at Kansas State University in the hands of International Office.
