

French Round Table & Discussion

Le système éducatif aux Etats-Unis et dans le monde francophone

Thursday, December 2, 5-6 pm
EH 125 (overflow in EH 124)

FREN 301 and FREN 515 are inviting you to a scheduled discussion regarding the Francophone and American educational systems. Students will analyze similarities as well as differences between the two systems, and some of them will share their personal experiences acquired during study abroad in a Francophone country. The audience will have opportunities to ask questions related to this topic. Additionally, students who participate will receive extra credit in their French courses (details offered by instructors). Please join us for this wonderful, French-language discussion open to all and *venez nombreux!*
