SPAN 774: Translation and Interpretation in the Community

MWF 1:30-2:20pm, Dr. Kanost

Translating and Interpreting in the Community. Introduction to vocabulary, research skills, professional practices, and ethics for serving as a community translator or interpreter (Spanish <> English). You will build basic interpreting skills through role-plays, exercises, and community service-learning experiences. You will also gain experience translating a variety of common documents such as birth certificates, letters, and forms.

Prerequisite: SPAN 575, 771, senior status, or instructor permission
