Dear Dr. Cates:

Thank you for submitting an interim report to the Council on Education for Public Health. The CEPH Board of Councilors reviewed the report at its June 11-13, 2015 meeting and determined that the program has demonstrated compliance with Criteria 1.2 (Evaluation), 2.3 (Core Knowledge) and 2.6 (Competencies).

In order to maintain accredited status, the next accreditation review must take place before July 1, 2019. We look forward to reviewing your program in greater depth during your next accreditation review.

Sincerely,
