FDA (U.S Food and Drug Administration)	Coordinated by the Virginia Maryland Regional College of Veterinary Medicine's Center for Public and Corporate Veterinary Medicine (CPCVM)	Clerkship	FDA Veterinary Clerkship Program	"student volunteer", no stipend. CVM can help you locate appropriate housing	No deadline, applications are accepted continuously.	3-6 weeks anytime during the year	The clerkship program, coordinated by the Virginia Maryland Regional College of Veterinary Medicine's Center for Public and Corporate Veterinary Medicine, is designed to give 4th year veterinary students interested in public health medicine an opportunity to experience veterinary regulatory medicine in a real world setting. Students will explore various aspects of CVM's day-to-day workload and policy issues under the careful guidance of CVM mentors, who will ensure that the students derive the most out of their educational experience. Depending on their interests, students may participate in various activities ranging from attending drug development meetings between CVM and corporate drug sponsors to participating in upper-level management discussions on public health policy issues such as antimicrobial resistance and Bovine Spongiform Encephalopathy.	<a href="http://www.fda.gov/downloads/AnimalVeterinary/ResourcesforYou/AnimalHealthLiteracy/UCM128044.pdf">http://www.fda.gov/downloads/AnimalVeterinary/ResourcesforYou/AnimalHealthLiteracy/UCM128044.pdf</a>	<a href="http://www.fda.gov/AnimalVeterinary/default.htm">http://www.fda.gov/AnimalVeterinary/default.htm</a>
