Application Deadlines

All application materials must be uploaded to the online system by the dates below. Note that financial aid documents may have much earlier deadline dates.

Domestic students only

There are no specific deadlines for domestic students. Applications are accepted and students admitted continually, but for the timely processing of your application the following deadlines are suggested:

- **1 July** – for Fall Semester enrollment
- **1 November** – for Spring Semester enrollment
- **1 April** – for Summer Semester enrollment

International students are only accepted for Fall enrollment

The Graduate School deadline for an International Applications is:

- **1 January** – for Fall Semester enrollment
