Dear Dr. Mulcahy:

Thank you for submitting an interim report. The Council on Education for Public Health reviewed the report on July 6, 2020 and determined that your program has demonstrated compliance with Criteria D2 (MPH Foundational Competencies), D4 (Concentration Competencies), and D5 (Applied Practice Experience) at this time.

To maintain accredited status, the program must continue to submit annual reports as required, and the next full review must take place with a site visit by December 31, 2026. We look forward to these upcoming review activities.

Sincerely,
