Certificate in Public Health Core Concepts

Looking for a career change or career enhancement? Thinking of further training but don't know where to start? This graduate certificate program is designed to provide a strong foundation in the five core concept areas of public health. These five areas meet the Council on Education for Public Health (CEPH) accreditation standards and are:

- Biostatistics
- Health Services Administration
- Epidemiology
- Social and Behavioral Sciences
- Environmental Health

| Unique Features | Curriculum – 15 credit hours |
|--|--|
| <ul style="list-style-type: none"> • All online classes for busy professionals! (Some courses also have an in-person class option.) • Start either fall or spring semester. • Complete certificate in two semesters, but have up to 6 years to finish. • The 15 certificate hours are directly transferrable to the MPH degree if you continue on to complete the full degree. <p style="text-align: center;">No application deadline! But you do have to be admitted BEFORE you can enroll in classes</p> | <p style="text-align: center;">Same as MPH Core Curriculum</p> <p style="text-align: center;"><i>Each course is offered online once a year.</i></p> <ul style="list-style-type: none"> • MPH 701 – Fundamental Methods of Biostatistics (3) • MPH 720 – Administration of Health Care Organizations (3) • MPH 754 – Introduction to Epidemiology (3) • MPH 802 – Environmental Health (3) • MPH 818 – Social and Behavioral Bases of Public Health (3) <p style="text-align: center;">Feel free to email or call us! 785-532-2042 or mphealth@k-state.edu www.k-state.edu/mphealth</p> |

What Can You Do With the Certificate?

The Certificate delivers knowledge and skills in core public health concepts, focuses on population-level health, and asserts that health and well-being are influenced by interactions among the social determinants of health.

Easy Application Process

Eligible applicants must hold a bachelor degree (BS or BA) with a preferred GPA of 3.0/4.0 in the last 60 hours of coursework.

To apply go to the Graduate School's website:
k-state.edu/grad/

Narrative Statement of Objectives describing education and public health experiences along with professional career goals.

GRE scores are requested if available (but not required).

Copies of Transcripts from each institution attended. If accepted originals must be sent.

One letter of recommendation from your supervisor.
