What you need to know about COVID-19

**Symptoms**
Most common:
* Fever
* Cough
* Shortness of breath

Sometimes seen:
* Sore throat
* Runny nose
* Body aches
* Lethargy

**How to prevent transmission**
* Wash hands regularly or use alcohol-based hand sanitizer
  * Cover coughs and sneezes
* Practice social distancing: no unnecessary travel and avoid large groups of people
  * Stay home when feeling ill
  * Don’t touch your face (eyes, nose, mouth)
* Avoid close contact with anyone who is ill or has symptoms
  * Disinfect routinely touched surfaces daily
