# MPH Electronic Program of Study (POS) Instructions

## Program of Study

A full-time student must file a program before the end of the second semester of graduate study, and part-time students must do so upon completion of 9 credit hours. If courses have already been taken, department codes, course numbers, course names, credits earned, and the semesters taken should be listed on the program of study as they appear on the transcript(s). Research credit hours for master's and doctoral students should be listed on one line with the total sum of credits. Do not include course work earned more than six years prior to the semester this program is submitted.

### Student Information

**Name:**

Your name will appear here.

**eID:**

**WID:**

When you are logged on to K-State, the "system" knows who you are and will fill in your student information.

### Program Information

Please enter correct degree type (master's or doctoral), degree program name and academic college of degree program.

| Type | Degree program | College |
|---|---|---|
| Non Thesis / Report ⌄ | Master of Public Health | Veterinary Medicine ⌄ |

### KSU Credits

Please list all KSU courses and research credits (if applicable) and the semester take. You can list a future date for courses not yet taken. You may list a single entry for research, internship or practicum credits taken over multiple semesters with the total hours required and "semester taken" can be listed as "multiple".

Start your POS by listing the MPH core courses as listed in the example. These core classes are never waived unless the exact course has been taken at a graduate level from a CEPH accredited program.

The last page of this document contains a table you can use to plan out your POS so that filling out the form is easier and goes faster.

Dr. Ellyn Mulcahy (emulcahy@ksu.edu ) as the MPH Program Director is listed last.

You must fill out this section. If you do not know answer "No." You can apply for an IRB or IACUC if you need one for your Applied Practice Experience (APE).

## Research Approval

Review and approval by a federally mandated Compliance Committee is required for all research activities that involve the use of subjects or materials as listed below. Please indicate if your research involves any of these and the Compliance Committee's approval number. If you have not yet received approval, you must do so before beginning any research activities. The Compliance Office is located in Room 203 Fairchild Hall. Information is available on the Compliance Office website.

After all sections are filled out, select "Submit." Your POS will be emailed to your major professor, committee members and Dr. Mulcahy. So that it does not "sit" in someone's email, let your major professor and committee members know it has been submitted and to watch for it.
