Pawnee Mental Health Services

is a vital member of the public health support network and valued partner for the MPH program for student projects.

Pawnee Mental Health Services is a licensed community mental health center and substance abuse treatment center with administrative headquarters in Manhattan. Pawnee serves over 7000 people annually across ten counties in north-central Kansas. Crisis services are available 24/7, and include an 11-bed, 24-hour outpatient crisis stabilization unit in Manhattan for adults 18 and over. Medication evaluations and management, community based services for children with serious emotional disturbances, and community support services for adults with severe and persistent mental illness, are part of the array of robust services provided by Pawnee.
