# Application Process - Apply by May 1

Apply [here](#) or at [www.campcamp.edu](http://www.campcamp.edu) by **May 1, 2026**. Students who apply before the early bird deadline, **April 3, 2026**, will be eligible for a reduction of camp fees by 50% should their application be accepted.

## Primary Track Selection

While filling out the application, students choose one primary track. This is the student's main focus during the camp; the area they spend the most time working on. The purpose of this track is to give students an opportunity to develop existing skills under the guidance of the world class K-State faculty and staff. Each primary track will culminate in a final public performance/presentation at the end of the week. The primary tracks offered are:

**Musical Theatre & Vocal Performance** - While filling out the application, students choose one primary track. This is the student's main focus during the camp; the area they spend the most time working on.

**Choral Music** - While filling out the application, students choose one primary track. This is the student's main focus during the camp; the area they spend the most time working on.

**Strings** - While filling out the application, students choose one primary track. This is the student's main focus during the camp; the area they spend the most time working on. The purpose of this track is to give students an opportunity to develop existing skills under the guidance of the world class K-State faculty and staff.

**Visual Arts** - While filling out the application, students choose one primary track. This is the student's main focus during the camp; the area they spend the most time working on. The purpose of this track is to give students an opportunity to develop existing skills under the guidance of the world class K-State faculty and staff.

**Dance** - While filling out the application, students choose one primary track. This is the student's main focus during the camp; the area they spend the most time working on. The purpose of this track is to give students an opportunity to develop existing skills under the guidance of the world class K-State faculty and staff.

**Drama Therapy** - While filling out the application, students choose one primary track. This is the student's main focus during the camp; the area they spend the most time working on. The purpose of this track is to give students an opportunity to develop existing skills under the guidance of the world class K-State faculty and staff.

# Application Process - Apply by May 1

## Secondary Track Selection

Students will also select a secondary track. The purpose of this track is to give students an opportunity to explore other areas in the visual and performing arts, whether or not they have any prior experience in that area. This track will not culminate in a final performance/presentation, but instead a smaller showcase for peers later in the week. The secondary tracks offered are:

**Musical Theatre & Vocal Performance** - While filling out the application, students choose one primary track. This is the student's main focus during the camp; the area they spend the most time working on.

**Choral Music** - While filling out the application, students choose one primary track. This is the student's main focus during the camp; the area they spend the most time working on.

**Strings** - While filling out the application, students choose one primary track. This is the student's main focus during the camp; the area they spend the most time working on. The purpose of this track is to give students an opportunity to develop existing skills under the guidance of the world class K-State faculty and staff.

**Visual Arts** - While filling out the application, students choose one primary track. This is the student's main focus during the camp; the area they spend the most time working on. The purpose of this track is to give students an opportunity to develop existing skills under the guidance of the world class K-State faculty and staff.

**Dance** - While filling out the application, students choose one primary track. This is the student's main focus during the camp; the area they spend the most time working on. The purpose of this track is to give students an opportunity to develop existing skills under the guidance of the world class K-State faculty and staff.

**Drama Therapy** - While filling out the application, students choose one primary track. This is the student's main focus during the camp; the area they spend the most time working on. The purpose of this track is to give students an opportunity to develop existing skills under the guidance of the world class K-State faculty and staff.
