

Killam Fellowships Program

Purpose	Established through the Foundation for Educational Exchange between Canada and the United States of America to <i>encourage mutual understanding between Canada and the United States of America through academic and cultural exchange.</i>
Award	
<i>Tenable</i>	At any Canadian university for which the student is qualified (must speak French to enroll in francophone schools).
<i>Number & Amount</i>	Number unknown. \$5000 per semester plus \$500 for health insurance and opportunity to apply for an additional \$800 travel grant. Also funds an orientation in Ottawa and a seminar in Washington DC.
<i>Duration</i>	One or two semesters of study.
Eligibility	
<i>Who</i>	US citizen. Enrolled full time as an undergraduate. French proficiency if needed. No restrictions listed regarding major.
<i>When</i>	Students are probably most competitive as sophomores or juniors . . . but all undergraduates in good standing are eligible. Seniors: note that eligible students cannot graduate before end of the award year.
<i>Selection Criteria</i>	Superior academic record. Demonstrate a good overall fit with the goals of the program, including strong ambassadorial qualities. Candidates are ranked based on their personal statement, academic qualifications and letters of reference.
Campus Deadline	None.
Deadline	Late January/early February.
Application	Cover sheet/checklist. Application form. Personal statement (one page). Transcript. Proof of citizenship. Two letters of reference (with form). Curriculum vitae/resume (maximum three pages). French language proficiency form if needed.
Contact	Beth Powers is happy to work with students regarding the Killam. She can be reached at 207 Leadership Studies or (785) 532-3422. Contact the Office of International Programs for help in choosing a Canadian host university. Reach them at 304 Fairchild Hall or (785) 532-5990.
Other	<p>K-State students can only apply in the Open Competition category.</p> <p>There is a <i>Direct Exchange</i> option but only certain universities may participate. K-State students apply through the <i>Open Competition</i> option</p> <p>More information is available at www.killamfellowships.com.</p> <p>Look at the Fulbright U.S. Student Grant for graduate study in Canada.</p>
