cc:Building Authority if request is a Standing Building Order

KSU facilities are available for use by authorized groups for activities that complement the teaching, research, and service programs of the University. The use of buildings and grounds for OTHER THAN REGULARLY SCHEDULED ACADEMIC CLASSES AND FUNCTIONS will be considered SPECIAL USE and may require a fee.

Fill in the Request for Use form as completely as possible to avoid delays or errors in processing. Include name, address, and phone number of requester, department head, and if necessary, advisor. Use one form for an activity that will be held at several dates or locations during the current semester; separate forms for different activities. (Refer to Policy and Procedures Manual, Chapter 7840.) For **Standing Building Orders** (locking/unlocking instructions issued by a department for a building for student accessibility to labs, studios, etc.), please include starting and ending dates and any specific doors that will be affected. Special instructions for holidays should also be included. Standing Building Orders may be processed for only one semester at a time.

POLICY AND PROCEDURES FOR USE OF KSU FACILITIES

Scheduling of University buildings and grounds will be approved only for a group that is registered or recognized by the University Activities Board(UAB), or is sponsored through a University department. The Assistant Vice President for Facilities may request further verification of eligibility if necessary. FACILITIES ARE NOT AVAILABLE FOR PRIVATE USE. McCain Auditorium, K-State Student Union, International Student Center, Chester E. Peters Recreation Complex, Bramiage Coliseum, and the KSU Football Stadium have independent scheduling policies and procedures. There are individualized use areas such as Weber Arena, Ahearn Sports Complex, Military Science Building Room 8, All Faiths and Danforth chapels, and specific grounds areas which have specialized policies in addition to those stated here. Depending on the nature of the activity, some user groups may be required to sign a waiver of liability.

A "Request for Use of University Buildings and Grounds" form must be completed and submitted at least ONE WEEK in advance of the requested activity. Building opening requests should be submitted at least 24 hours in advance or before noon on Friday for weekends. Shorter notification may result in a rejection because of lack of time to make necessary arrangements. The KSU Police Department is responsible for unlocking only the exterior doors of University buildings.

Scheduling of activities can be made only for the current semester. Regularly scheduled continuing functions will be approved for ONE SEMESTER ONLY. Applications for renewal must be submitted and processed in the same manner as new requests. Scheduling for Summer semester can begin May 1; Fall can begin July 1; Spring semester scheduling can begin December 1.

Activities will be confined to as few buildings as feasible in order to comply reasonably with energy conservation requirements.

Food is not permitted to be handled and served in University buildings, except in select non-classroom areas and approved residence hall dining areas and the K-State Student Union. All catering of food on campus is to be arranged by the K-State Student Union or a licensed caterer. Catered events involving food not supplied by the K-State Student Union must meet the requirements of the Campus Sanitation Committee and be signed by the Director of Public Safety before the request is considered. These requests must be submitted at least TWO WEEKS in advance of the requested activity.

Fund-raising functions (any activity which involves a collection of money from non-members-UAB definition) require a University Activities Board registration and Vendor's permit before the request will be considered.

All arrangements for service, equipment, or personnel are made by the Division of Facilities, unless an alternative agreement is reached. Requisitions are required where specified. Billing for services is done after the event on the basis of time and materials used, unless mutually agreed upon in advance.

Areas should be cleaned up and left in their original condition. Areas may be subject to inspection by a representative of the Facilities staff. Charges may be assessed for additional clean up or damage.

The signature of the Department Head is required for departmentally sponsored and/or academic functions; the Faculty Advisor for University Activities Board registered groups. Faculty sponsors or sponsoring departments or units and requesting groups will be responsible for their group's activities and conduct during the event, and the prompt payment of expenses incurred. All fire, safety, sanitation, and special regulations specified for each area are to be followed.

All requests are approved in accordance with University regulations concerning use of Kansas State University facilities and are subject to cancellation by the Assistant Vice President for Facilities.

If you require information or help in planning, contact Facilities Support Services, 532-6373. Submit completed forms to Support Services, 109 Dykstra Hall.
