"Learn unfiltered and witness thoughts in the raw"

DAS/POLSC 420

Primary Texts Certificate Core Course

This team-taught course takes students through intellectual history with a focus on how big ideas in philosophy, literature, and science changed our political and social landscape. Topics will include ancient Greek comedy and drama, the Scientific Revolution, Shakespearean theatre, Classical Liberalism and American political ideas, and more!

This course is open to all undergraduates. Primary Texts Certificate students will fulfill their core class and capstone paper requirements within this class.
