

Spring 2027

POLSC 388

Dr. Candice Ortbals-Wiser

Tuesday/Thursday

11:30am-12:45pm

Latin American Politics

Learn about and compare the political institutions, political parties, interest groups, and political culture of the diverse countries that comprise the southern half of the Western Hemisphere.

This course fulfills the College of Arts & Sciences' Global Perspectives Overlay requirement and is also part of the Politics of the Global South track!
