Spring 2022
POLSC 372
Ideologies: Their Origins and Impact
Dr. John Warner
TUTH – 9:30-10:45

This course is centered on John Rawls’ Theory of Justice. We will engage carefully with this text and seek to understand the various criticisms it inspired. We will also be interested in how Rawls’ thinking evolved as a consequence of engaging with his critics.

This course is part of the Society & Environment Track!
