

Reinstatement Application

This application is for students who have been dismissed and are seeking reinstatement into the Exploratory Studies Program. NOTE: University policy states, "Normally a student must wait at least two terms [semesters] before being considered for reinstatement." The Director of the Pre-Professional and Exploratory Advising Center reviews all applications. However, without extenuating circumstances, it is unlikely a student will be reinstated early. Please submit all required materials including this completed form, to ppac@ksu.edu.
