

# AUDITORY LEARNING & COGNITION LAB

[www.alclaboratory.com](http://www.alclaboratory.com)

## RESEARCH QUESTIONS:

- How does training impact the way you hear the world?
- How does multimodal training impact auditory learning?
- How accurate are memories for musical qualities?
- How do brain waves relate to learning and effortful listening?

## DEVELOP SKILLS:

Research experience  
for Graduate School  
Data collection & analysis  
Present work at conferences  
Electroencephalography (EEG)
