

Interested in research  
on personality and  
culture? Join the PaC  
Lab!

## WHAT WE STUDY

### Personality

- How does personality vary around the world?
- How is personality impacted by sex, gender, and sexuality?

### Mental Health

- How are aspects of well-being and sexual health impacted by sex, gender, and sexual orientation around the world?

### Contact

Dr. David Schmitt at  
[davidschmitt@ksu.edu](mailto:davidschmitt@ksu.edu) for  
more details!

- Develop your own research ideas
- Engage in your professional development
- Opportunity to present and travel to conferences
