Undergraduate Research Interest Survey

Students interested in participating in undergraduate research should complete the following information and e-mail the completed form to Dr. Kirkpatrick (kirkpatr@ksu.edu). Dr. Kirkpatrick will follow up with you to arrange an interview.

You can check out our lab web site for more information on our research: http://www.k-state.edu/psych/research/kirkpatrick/rtdlab/index.html

Name:
Major(s), Minor(s):

Which Psychology (or other related) courses have you taken?

Current GPA:

Target graduation date:

Do you have any previous experience with animals (e.g., pets, horseback riding, etc.)?

How many hours per week are you available to work in the lab?

Are you usually available to work on weekends?

Why do you want to work in the RTD lab?
