INTERESTED IN RESEARCH? JOIN THE KSU MEMORY & AGING LAB!

Research Assistant positions available for course credit OR volunteer opportunities in Fall 2019

*We depend on memory for almost everything we do throughout our day, so why not learn how to make it better?*

- GPA > 3.0
- Available at least 6 hours per week
- Preferably completed PSYCH 350

Learn how to brainstorm research ideas, develop experiments, collect and analyze data, and engage in professional development (make a CV, personal statement, prep for GRE’s)! There will also be opportunities to travel and present at conferences!

MEMORY & AGING LAB
458-459 Bluemont Hall
Kansas State University
