

EMPLOYEE RECOGNITION

2017
University Support Staff
**EMPLOYEE
OF THE YEAR**
Nicole Marple

To recognize excellence and dedication to the university support staff, the Office of the Registrar selects a deserving nominee for the University Support Staff Employee of the Year (EOY). A rotating committee of administrators and previous award recipients review the nominees. The committee selected Nicole Marple as the 2017 Office of the Registrar Employee of the Year.

A project to streamline Graduate Teaching Assistant, or GTA, tuition remission was launched in February 2016. Nicole was selected to join the project team. Her experience in processing GTA tuition remission was vital to the project. During the project, a peer in the Enrollment Services department retired; ultimately Nicole absorbed the additional responsibilities to cover the unfilled position. She was also instrumental in creating six electronic forms to eliminate paper and utilize electronic workflow features.

Nicole also received the University USS Meritorious Award due to her participation with the Division of Financial Services project to create an efficient and seamless process for GTA tuition remission.

Office of the Registrar EOY recipients:

2016 Kathy Fronce – Office Specialist IV
2015 Mary Sier – Degree Analyst
2014 Cyndi Slover – Academic Program Specialist
