

## REQUEST FOR A NON-DISCLOSURE HOLD OF STUDENT DIRECTORY INFORMATION

I request that Kansas State University NOT DISCLOSE my "Student Directory Information" without my prior written permission.

I understand the consequences of this decision to withhold my "Student Directory Information," as any future requests for such information will be refused. Examples of, but not limited to, potential impacts are: no acknowledgement of my attendance at K-State to potential employers, no verification of degrees to requestors, no printing of my name in the commencement program and no press releases pertaining to graduation and/or honors.

K-State will honor my request to hold "Student Directory Information" but cannot assume responsibility to contact me for subsequent permission to release it. Regardless of the effect upon me, K-State assumes no liability for honoring my instructions to hold "Student Directory Information."

If the form is submitted before I have left the university (i.e. graduated, transferred, withdrawn), the "Student Directory Information" hold will remain in effect until the Registrar's Office receives a written request from me to release the hold.
