NASA is holding a virtual **Pre-Proposal Conference** for NASA Research Announcement (NRA) 80JSC017N0001-FLAGSHIP1 “NASA Research and Technology Development to Support Crew Health and Performance in Space Exploration Missions” and NRA 80JSC017N0001-OMNIBUS “NASA Human Research Program Omnibus Opportunity” on **Monday, August 7, 2017 at 3:00 pm Central Time**. The URL for the Pre-Proposal Conference is [https://ac.arc.nasa.gov/hero-nra-17/](https://ac.arc.nasa.gov/hero-nra-17/)

The Pre-Proposal Conference offers the opportunity for NASA to provide potential proposers with information, or emphasize existing information, that may benefit proposers. The Pre-Proposal Conference also offers proposers the opportunity to pose questions and receive answers and request clarifications.

Audio and video will be provided via Adobe Connect. No teleconference number exists.

If you would like to remain anonymous during the conference, you may login as a guest and enter "Anonymous" in the Name field.

Thank you for your continued interest in NASA. Please refer to the solicitation document for contact information.
