

RISK MANAGEMENT CONNECTION

an introduction to integrated risk management

RISK is everywhere

knowledge in risk is vital across all industries

The Risk Management Connection is organized by K-State's Center for Risk Management Education and Research (CRMER); this introductory seminar is designed for sophomores interested in learning the fundamentals of identifying and managing complex risks.

Participants will also be connected to the academic and career opportunities available in the CRMER.

Spring 2019 seminar dates:

Wednesday, March 20 | 4:30-5:30 in Leadership Studies 247

Tuesday, April 2 | 4:45-5:45 in Leadership Studies 247

*Each seminar will cover the same information; participants only need to attend one session
Pizza will be served!*

Who should attend?

Sophomores from any major are invited to attend. Students majoring or interested in business, finance, agricultural economics/business, or engineering are highly encouraged.
