2. *DEFINITIONS:*
 - a.) *Repair shall be defined as major building repairs including repairs of fixed building property and the repairs of building equipment and building furnishings that are not part of normal maintenance and ordinary repairs (as defined below) of the facility. 3. This agreement supercedes any previous agreement made by Kansas State University Student Senate and/or Kansas State University Student Governing Association with Kansas State Union regarding funding of budgets and use of such funding.
4. Any breach of this agreement by the DEPARTMENT will result in automatic review by Kansas State University Student Senate and such review could result in decrease or termination of funding of the BUDGET. The failure of SENATE to exercise any of its rights in any instance shall not constitute a waiver of such rights in that instance or in any other instance.
5. Within 60 days of the end of the fiscal year, the Director of the DEPARTMENT shall submit a written summary of BUDGET expenditures to the Privilege Fee Chair for review by the entire Senate Body.
6. No construction of or renovation of a building or facility at KSU is permitted with privilege fees unless the fee was established by a binding referendum vote of the student body. (SGA Constitution Article V Section 510 Letter D and Article XI Section 1105)
- a.) *Construction shall be defined as capital outlay costs to construct new or make additions to an existing building or facility.*

WHEREAS, There is increasing public support to ensure the accessibility and affordability of higher education in the state of Kansas as proven by the Governor’s “Education First” Report;

WHEREAS, Governor Kathleen Sebelius promised in her State of the State address to reduce the need for significant tuition increases by stating, “Because of our difficult financial times, we have failed to keep a promise made to the state’s colleges and universities to provide funding to retain key faculty and minimize the need for tuition increases. My proposal fulfills that promise;”

WHEREAS, The Governor’s budget proposal actually increases the financial burden on state higher education institutions by recalling tuition, restricted fees, and student fees from universities and issuing unfunded mandates;

WHEREAS, The re-allocation of funds from tuition revenue and restricted fees to the State General Fund sets a dangerous precedent for future legislators to take funding from higher education;

WHEREAS, The restricted fees and tuition dollars that are being called back can be considered a “specialized tax” on students;

WHEREAS, These recalls serve only as a one time fix and thus will create significant problems during the next fiscal year; and

WHEREAS, This will create an even greater financial burden on universities, citizens, and future

students;

BE IT RESOLVED THAT:

- SECTION 1.** Kansas State University Student Governing Association strongly encourages that the Students' Advisory Committee to the Kansas Board of Regents not support Governor Sebelius' callbacks for restricted fees and tuition dollars in her budget proposal regarding higher education.
- SECTION 2.** Moreover, Kansas State University Student Governing Association strongly encourages Students' Advisory Committee to pass a resolution reflecting the concerns of the student body.
- SECTION 3.** Kansas State University Student Governing Association strongly encourages the Kansas legislature to commit to prohibiting the future practice of calling back students' tuition dollars and restricted fees to use for other purposes.
- SECTION 4.** Upon passage a copy of this resolution shall be sent to Kansas Board of Regents Chair Janice DeBauge, President and CEO of the Board of Regents Reginald Robinson, Kansas State University President Jon Wefald, Faculty Senate President Bob Zabel, the Students Advisory Committee to the Board of Regents, and Wildcats for Higher Education.
