There are two smaller offices out front and a lounge area. The partitions cost \$1,000 when new and cost us \$475.00; the \$475 includes installation. Summer School Activity Fees run from \$4 to \$11, depending on the number of hours. This has been allocated by the faculty and administration in the past. Must come up with a proposal on who should allocate the money and how it should be spent. There is a problem with work-study funds. They were cut by \$70,000, Bob. P stated. 1st come first served basis for getting work-study funds. SGA funded the International Orientation program this summer. There were over 150 new students at the dinner. The cost for the dinner was \$96.00. Joe K. attended the NSA Conference this month in Georgia. A Voter Registration Drive was held during enrollment. Will do it again probably in September. Should have the results of the Student Poll taken at enrollment sometime next week. The anticipated enrollment of KSU is 15,500. The only school in Kansas coming close to their anticipated enrollment was KSU. Term paper sales on campus is being investigated.

DIRECTOR OF REPRESENTATIVE ACCOUNTABILITY - Bruce Beye - has been doing alot of work on committee positions. Should be finalized by next week.

DIRECTOR OF FINANCIAL ACCOUNTABILITY - Steve R. - Will try to get some updated reports on service organizations last next week. They will be in the office for you to read. Need a new liaison for the FONE. See Steve D. or myself.

COLLEGE COUNCIL COORDINATOR - P. J. White - Looking for someone to help to coordinate open houses. You will probably be having a lot of constitutional

changes from the councils. Also, people will be coming concerning College Council Bill.

INTERNATIONAL AFFAIRS DIRECTOR - John S. - Not as many problems with housing as last year (thanks to Linda Trueblood) but there are still a few. Small World Class will be held probably on Tuesday nights in case you are interested. Not much farther along on the International Center. No pleas have been made to the alumni. There will be an article in "the Alumni" soon. Rowan Conrad wrote a paper on how the International program got started at K-State by SGA and it was a national publication.

DIRECTOR OF REPRESENTATIVE ACCOUNTABILITY - Bruce B. - A study group will be started to study the deal at Aids and Awards dealing with loans and work-study funds.

DIRECTOR OF ACADEMIC AFFAIRS - Ron M. - Gave a grade appeals policy to John to look over. Will let you know what happens to it.

DIRECTOR OF CONSUMER RELATIONS BOARD - Dick R. - Senate Bill 587 will come before the State Legislature in September. We will be going down then Consumer Relations Board will be going to the areas of insurance too. Will handle complaints on just about anything. Received a phone call from Washington, D. C. from a girl who was writing an article or something to that effect on why there has been such a big consumer movement at K-State. She had heard from all over the U. S. that K-State started the movement. She had received a lot of good info, on K-State also.

John - The City Planning Office will possibly have a bus service to select areas of the city 38 hours per week. They are asking that SGA support this with an allocation so as to allow students to ride the bus free of charge when an id is shown. Be thinking about this.

Steve R. - Need to make a survey on how many students do use the bus before a decision is made on the allocation.

HOUSING DIRECTORS REPORT - Linda T. - The escrow clause has not come up before the City Commission yet. There was a hearing on it this summer. Need help if we get it passed. They are trying to raise the rent in Wildcat Creek Apartments. Don't sign anything. Send them to Don or myself.

Bob P. - The Fall Senate Retreat will be held at Rock Springs Ranch on Sept. 16 at 1:00 until Sept. 17 before noon. All are urged to attend.

John - Spoke on the free Notary Public service done by Jenny in the SA Office. Did over 368 in a three day period. It is now a student service only and must show a KSU student I. D.

Pat B. - Spoke on allocation problems with the different kinds of organizations. Some suggestions were made. The College Council Bill can be revised so as not to change the political aspect of the bill.

Steve - Does Senate wish to send new requests and appeals to the finance committee or do they wish to hear them as a body? Finance Committee does not wish to hear these if it goes as it did last year with tentative allocations (hearing them twice). Sept. 8 is the deadline for appeals and new requests. Final allocations are to be done by the third week of fall semester.

Danny M. - What is the purpose of a Finance Committee if Student Senate is going to hear its appeals and new requests.

Dennis C. - Moved that Student Senate hear appeals and new requests as a body rather than finance committee. Time limit was discussed.

Joe K. - Called the question.

Steve - Always in the past, there has been an open all-university convocation with President McCain and other administrators speaking. He wishes to know if Student Senate feels one is needed this year.

Linda T. - Would seem alot more meaningful if there were to be an open forum for answering questions.

John R. - About 200 people showed up at the one last year because no one knew about it.

Steve - President McCain wanted to open it up to all students this year. Do you wish to have Senate Aides? You can carry over from last year or you can get new ones.

Paul G. - Does not feel Senate Aides are needed very much.

Linda T. - Need to find a substitute for the aide program. Maybe a list should be made up at the Activities Carnival of names of what area they are interested in.

John - Last year, we had such a list an utilized it very much.

Steve - Need people to set at the table and utilized it very much. Jenny needs your class schedules soon.

Lion C. moved to adjourn. Passed.

DIRECTORS REPORT

STUDENT BODY PRESIDENT - John Ronnau - The Use of Facilities Committee was established over a year ago to control the field house, gym, complex, courts, pool, weight room, memorial track and field, athletic complex (new stadium) and locker rooms. Students came out quite well as far as use of facilities. Ernie Barrett, Don Rose and John make up a committee to decide who will use the new stadium and track other than athletics. A conference is on tap for October 19 and 20 in Hastings Nebraska. The conference is on Kansas-Nebraska Educational Consortium. If interested in going, let John know. Urges everyone to take part in the Walk for Mankind. The 200th birthday of the United States. They hope to build a center at Fort Riley to commemorate military services. A sizeable donation was received for the new international center. A site has not been settled on for the recreational complex, as this cannot be done until the money is concrete. It will have to be a pre-arranged agreement with President McCain as to whether it will be student run. Pools should be completed by September, 1973. A 15 minute slot has been allotted by KSDB-FM to SGA service programs. Introduced John Mendoza who is on a search committee for new Director of Library Services. Interviews for a director will begin October 17.

INTERNATIONAL AFFAIRS - John Solbach - Did receive a sizable amount of money and think it will be enough to build the Center, alone with the \$20,000 from SGA. Mary Ann stated that the Small World class meets Tuesdays at 7:30 at 1421 Anderson Ave. and that your help is needed.

ROYAL PURPLE HEARING

The advisor, the editor and the director of student publications were present.
The purpose of the hearing is to gather information. No action will be taken.
Problems up to now:
Had a little over \$6,000 left last year.
Will go in the red \$10,000 to \$15,000 on this years book. The deficit will be made from equipment fund.
Are printing 480 pages this year at a lower cost than last year with 360 pages.
Display advertising rates were cut from \$1.50 to \$1.00/inch this year for student organizations in the Collegian.
A good year book cannot be published on a year to year basis. The layout is done in the summer. Will not publish a 1974 book unless put on a regular financial basis.
At K.U. the Student Senate publishes the year book.
Got an All-American Rating again in 1972.
No. of books sold
2 yrs. ago = 8,300+
Last year = 7,000+
This year = 6,000
The number we sell is a much larger average than other schools. We were selling 60%.
Now 40% are sold.
Bids are made in the spring. They are flexible with printing company.
There are 6 or 7 paid people on the staff.
The gimmick approach to selling books has been used and did not do well.
K.U. had a loose-leaf type book and want to go back to the hard-back book.
The lack of book sale is both editorial and size (which is financial).
Things are put into a book that the editor feels necessary and that students will receive well.
Have received 37 All-American Ratings in a row.
The \$8.00 (\$10.00 with picture) is among the lowest cast that a book is sold for.
The Board needs some kind of financial basis to work with. Either a line item (higher or lower than the \$2.00 requested and desired) or a Lump-sum.
Mr. Brown feels a referendum should be brought before the students. What the students want is what we should do.
The Survey taken on the R.P. front 200 students which was drawn up by Dr. Hoyt had these results.
58 male, 42 female
70% wanted a spring book rather than a fall book.
56% felt the cover made no difference.
54% felt Student Senate should fund on a continuous basis.
29.5% felt Student Senate should fund on a year to year basis.
11.5% felt no money should come from Student Senate.
5% nothing.
Printing costs go up 10% each year.
Cut \$4,000 last year by changing paper cost (cheaper paper).
Approximately \$80,000 will be spent this year on the book.
Difference this year from last years
1. 120 more pages
2. Will have an organization section.
3. Housing will be expanded.

Each book costs about \$8.00 or a little more to produce each year without picture. \$10.00 with pictures.

A basic amount needed could be decided on by the Board by March 1.

Have sold 400 or 500 books since fall registration.

Organizations pictures are paid for on a pro-rated basis (so much per student in the picture).

Had more complaints on the size of the book at registration than anything else.

There was a referendum in 1936 on the year book. 90% voted to keep it.

It might satisfy the Board if the book were re-established as a line item.

Would go to a referendum before printing a 1974 book. A basic amount could be \$70,000 to \$90,000.

Leigh K. - moved to adjourn. Passed.

Jenny Johnston, SGA Secretary

OLD BUSINESS

Bob P. moved to untable Senate Resolution 72/73/29 - Approval of Recreation Complex Referendum.

John R. explained the bill.

\$4.7 million bond to be paid off in 30 years.

A site cannot be selected until the referendum is approved.

President McCain said he would approve anyway we wished it governed. The State can, however, move in and change it at any time.

Summer students would also have to pay the fee at a pro-rated basis.

If a new basketball facility were built, there would be the possibility of redoing Ahearn Fieldhouse. Would take alot longer to do this than to built a new facility and therefore the students would be without a recreation facility at all for a longer period of time.

A sub-committee is studying what would be offered if this amount was paid and also a way to cut down the costs.

The possibility of students funding an academic building is pretty well gone.

Concrete ideas cannot be made without an architect and he cannot be obtained without passing the referendum.

There is talk of a basketball facility to be built out by the stadium in order to use the parking facilities available there.

The bonds were based on 15,500 students.

The bonds interest rate is around 5 1/3 percent.

President James A. McCain

Anderson Hall

CAMPUS

Dear President McCain:

As the representative body of students at Kansas State University, we are very concerned about the information which has been brought to our attention concerning the level of educators salaries and benefits and support for higher education in general in Kansas. Students in Kansas are concerned not just that we have the opportunity to obtain a degree, but that the degree obtained indicates that we have received a quality education.

We have become alarmed at the loss of exceptional faculty members that are seeking higher paying positions in other universities. We are also concerned about the effect that this has on faculty morale here at Kansas State University.

As a student population of over 15,000 students at Kansas State University, we feel very strongly that as our share of our education has been increased, the quality of our education should increase also.

Sincerely,

Bob Price

Student Senate Chairman

On behalf of the Kansas State University Student Senate.

cc. Dave Mugler

Sam Brown

PASSED: unanimously

Janet Eads, Drug Education Center and Marylyde Kornfeld, FONE, spoke on the Walk-In-Crisis Center.

The S.G.A. Office would only be used as space and no expenditures would be made.

They have raked up \$47.00 and this money will be used for posters and advertising of the Center. The S.G.A. Office was chosen because it would be a central location, whereas the building at 615 Fairchild Terr. would not. The hours would be on Friday, Saturday and Sunday nights from 7:00 pm to 7:00 am.

A survey was done by Janet and this was one of the things people wanted most.

A straw vote was taken to determine Senator's feelings about this. Many Senators seemed to be in favor.

Dennis C moved to suspend the rules and introduce Senate Bill 72/73/38 - Committee on Religion Allocation.

Mr. Don Fallon, advisor for the Committee on Religion, spoke on the bill.

Each part of the bill (4 sections) will be voted on separately.

PASSED to Postpone consideration

Joe K. moved to postpone consideration of the third section until next week, due to the fact that this may not benefit all the students or a large portion of them and since this is not an immediate need.

PASSED to postpone consideration

Linda R. called the question on the second section.

PASSED

Leigh K. moved to friendly amend section four to read \$65 rather than \$110, due to the fact that ½ of the money for Collegian advertising was to be used for the Retreat stated in section three which was postponed. Accepted by Dennis C.

Linda R. called the question on the fourth section.

PASSED: as friendly amended.

Kurt L. moved to introduce Senate Resolution 72/73/32 - 1973-74 Elections.
