STUDENT BODY PRESIDENT REPORT - Joe Knopp

NATATORIUM DEDICATION

Last Thursday the new swimming pools were dedicated. This is an excerpt from the program.

“These new facilities have been one and one-half years in the construction phase, but the dream of such an addition to the campus has been in the minds of some for many years.

The swimming pool committee was appointed in 1965, and the presentation of the needs for the program and the pool was made to the Board of Regents who approved an increase in student fees to finance the new structure.

But when Nichols Gym (which housed women’s physical education) burned on December 13, 1968, it was then planned that the replacement facilities would be made by remodeling and renovating the Ahearn Fieldhouse in conjunction with the construction of the natatorium as part of the project. Contracts for the construction of the natatorium and the women’s physical education annex were awarded in November, 1971. Student fees provided \$870,989 for the natatorium construction with \$1,030,000 being available from educational building funds, for the women’s physical education annex to the fieldhouse renovation: program.

Today is a special day for K-State students, faculty, administrators, staff, alumni, and friends of the University.

We sincerely hope the facilities we dedicate today will long contribute to higher education, recreation and athletics at Kansas State University.”

The Dedication Committee: Charles B. Corbin, Joe Knopp, Veryle Snyder, Judeth Tyminski.

In spite of the fact the pools weren’t completed, the ceremony went very well. Judeth Tyminski did an outstanding job of organizing the ceremony and assuring that student contributions to the building were noted.

In looking over the program, nearly every contemporary student issue facing Student Government is to be discussed. Plan on sending two people.

There is not really enough time left for them to try to elect a person from the college. This publication also mentioned our efforts in serving the Manhattan Community through a branch office in Downtown Manhattan. The IOCU newsletter is read by 35 different countries around the world. Our Toy Safety study has been completed and the results have been turned over to the Consumer Product Safety Commission in K.C., Mo. Six out of the eleven stores surveyed were found to have banned toys. One of the managers of the stores was notified which toys were banned, they were asked to remove them from the shelves. The CPSC will follow up on our inspection to see that those stores reported to have banned toys have removed them from the shelves. Copies of the CPSC Banned Toy List are available in the SGA Office. Olan Mills Studio's, Springfield, Ohio has been operating in the Manhattan area for the past month. They do not have University permission to solicit their business on Campus. In addition, effective January 1, 1974, they will be in violation of Kansas law if they continue to engage in chain referral sales. The constitutional amendment passed last week was ratified by all College Councils except Vet Med and Business Administration. The check-out key is missing. If you have it or know where it is, please return it to the office or we may have to have the locks changed for the second time. Need to set up a committee to plan the Spring Retreat.

### **COMMITTEE REPORTS**

NATATORIUM AD HOC COMMITTEE - Judeth Tyminski - Met last Friday. Have a proposal before you tonight. Have worked very hard on this.

TEACHER-COURSE EVALUATION - Dave McManus - Ran into a couple of delays over Christmas. Got to publisher 2 weeks ago. Was a great disappointment to me. Will be the last time we will try to get it out for Spring Enrollment. Just too little time to get it out. Would like to have a summer edition for the entire year, with Senate's approval. Have had beautiful support from Educational Resources. The present edition should be out next week.

ACTIVITY FEE - Frank Ross - Hearings will begin next week. For the first time, the Union may have to pay for its utility bill. Bill will probably run \$60,000 a year. Will ask for the \$1.00 amount to be tripled.

DAY CARE CENTER - Frank Ross - Now on low-income priority. They have done the thing we asked them to do and it seems to be working out real well.

ACADEMIC AFFAIRS OF FACULTY SENATE - Mark Edelman - Had a meeting on Course and Curriculum Changes. Cannot increase the number of courses taught in the catalogue next year.

SENATE CREDIT - Mark Edelman - Should come to a head later on this spring. Started working in the area again and are taking a different approach to it.

 OPINION POLL - Frank Ross - A questionnaire has been devised for a telephone poll by Dr. Hoyt. Will begin in the next 2 weeks, Will be conducted by the Activity Fee Committee and anyone who would like to help.

**DIRECTOR'S REPORTS**

ASSOCIATED STUDENTS OF KANSAS (ASK) - Campus Director, Jay Armstrong - Will not be here over the summer and feels a new Campus Director should be selected. Is very rewarding but is alot of work. If you are thinking of taking over, you should start coming to the meetings now and get an insight. Next Board of Director's Meeting is Tuesday, 1/29/1974 at 600 pm at Washburn. ASK is supporting 2 bills in the legislature: 1. Landlord-Tenant. 2. Campaign Contributions Senate Committee thinks the first bills looks very favorable. Need your response to your legislators. Will have a list in the SGA Office. We have 2 vacancies on the KSU Legislative Assembly.

STUDENT BODY PRESIDENT - Joe Knapp - Wednesday's for Walking was a failure. We are not quitting. Guess we overreacted to the energy crisis. The cost of the bumper stickers came to \$100 rather than the \$40 originally thought. ASK has been a failure at KSU, so far. Need to show students that the Legislative Assembly is working for them. There is a strong move in the legislature to do something about in-state and out-of-state tuition. Kansas has lost close to \$400,000 from people who dropped out of school for 6 mos. in order to gain residency. Need a Chairman for University Activities Board (UAB). Going to Athletic Council on K-Block costs raises Saturday, 1/26/74, \$2.00/ticket rather than \$1.00/ticket. There is a Legislative Assembly Meeting Friday, 1/25/74, in Room 203 of the Union at 4:00 pm.

CONSUMER RELATIONS BOARD - Dick Retrum The \$800.00 that CRB borrowed from SGA to publish "University Consumer Protection" has not been paid back in full. We still get requests for the book which of course means that we are making a profit. The Campus should be alerted to the fact that Linencrest, Inc. and International Homes Co. have been doing business on Campus without proper authority. One company sells linens and the other company is selling pots and pans. Any student approached by a representative from either of these companies should ask the following questions: 1. What is your name. 2. What is your Kansas Sales Tax Number. 3. By whose authority are you allowed to do business on this Campus. If the salesman cannot answer all of these questions, you should not do business with him.

Advertising expenditures in the USA totaled \$25.140 billion for 1973.

The breakdown is:	Newspapers	\$7.705 billion	30.6%
	Television	4.565 billion	18.2%
	Direct Mail	3.580 billion	14.2%
	Radio	1.625 billion	6.5%
	Magazines	1.470 billion	5.9%
	Business Papers	.855 million	3.4%
	Bill Boards	.310 million	1.2%
	Farm Publications	.065 million	.3%
	Miscellaneous	4.965 billion	19.7%

Anyone signing a contract with either of the above mentioned companies, should contact the Consumer Relations Board to find out how to cancel the contract.

**NEW BUSINESS**

**FACULTY TENURE AND REAPPOINTMENT** - Dave McManus - Met for the first time today. Felt the evaluations have an effect on the grades given out. Non-tenure faculty are evaluated once a year. Would like to see tenure faculty evaluated every 2 years. Would like your student input.

**ACTIVITY FEE** - Frank Ross - Hearings start the 5th of February with Recreational Services. Have not heard if the Union does have to pay for their own utilities.

**STUDENT SERVICES** - Kurt Lindahl - Met today. Spoke on how to present budget, one lump sum or separate requests. Should there be set salaries? was discussed. All felt they did not have enough contact with Student Senate. Would like to have every 4th meeting of Senate set aside for in depth reports of the Services. Senate seemed in favor of this. Would not necessarily replace Liaisons. They could keep files in order.

**HOLDOVER RETREAT** - Kurt Lindahl - Twelve people showed up. Seemed to be a pretty good day. Talked of things that would be of concern and the direction this next year. Vogel added that we should be ambassadors to our school and talk to our legislators.

**ELECTIONS** - Ernie Locke - Still muddling along. Candidates Day - Feb. 12 (Tuesday) - 11:30 am in the Court Yard of the Union. Student body president candidates will

be asked to give a 5 minute presentation. All other candidates will be asked to appear and be introduced. Frank Ross - Need alot of help. 15 people are needed per hour in the Union, 9 people are needed per hour in Waters & Library Judges are: Pat Bosco, Dent Wilcoxon, Steve Hermes

ATHLETIC COUNCIL - Harry Phillips - Met Saturday. K-Block prices were raised from \$1 to \$2. The increase of \$1 will probably go to FCC but is in Committee now. The Council asked the new business manager to hold down the budget to this year's budget. Will have to take \$150,000 from next years football ticket sales to break even this year.

STUDENT HEALTH COMMITTEE - John Mein Met last Tuesday. Have 3 new members.

## **DIRECTOR'S REPORTS**

STUDENT BODY PRESIDENT - Joe Knopp - Entering that time of the year when you hate to start new projects that will run into the next term and are closing out things that begun a year ago. Two main issues are K-Block Revenue and K-Book Revision. ASK met Tuesday in Topeka on budget requests and allocations for next year. The consensus seemed to be that \$.50/student would be asked for. Need money to run a staff during the summer and fall. There will be an open ASK meeting Friday, 2/1/74, at 4:00 pm. Those people scheduled to go to SCONA Conference at Texas A & M are: Cindy Murrill, Jim Buchanan, Bob Eckenberg, Maureen Hintz

ASSOCIATED STUDENTS OF KANSAS (ASK) - Jay Armstrong - Campus Director - Got over 100 letters out to legislators on the landlord-tenant bill from the table located in the Union this week. Chairman of the Board of Directors, Ron Schmidt, will be here Feb. 5.

CONSUMER RELATIONS BOARD - Dick Retrum - A meeting with the Chamber of Commerce Special Committee and CRB staff members is scheduled for this week. We will be evaluating the four-month trial period of the "Manhattan Consumer Relations Center" and decide if the program will continue this semester.

Lon Ackerman - We are having problems at the downtown office. Seems people are looking at the case load rather than the quality. It is time for the evaluation of that office.

FEBRUARY 14, 1974  
7:00 PM - 8:45 PM**

The meeting was called to order by Chairman Kurt Lindahl. There were 35 Senators present. M. Towell, J. Armstrong, P. Anderson were late. D. Danskin, M. Hintz were excused. M. Allison was excused late. D. Heying, M. Stewart, M. Campbell, C. Hand, F. Lai, D. Lockton, A. Sutlick, A. Gustad were absent.

Kurt ruled to omit all business and go directly into the Election issue.

The following are statements made by the Elections Judges and Joe Knopp, Student Body President 1973-74.

After careful deliberation, we reached the conclusion that because of ballot-signature discrepancies, we will only be able to recommend acceptance of the student body president and the board of student publications 1974 Election results.

There were 2,282 total votes cast with only 2,193 corresponding signatures recorded. This represents a 3.9% discrepancy between ballots and signatures. In recent years, we have allowed 1% or less as acceptable. We have also been made aware of some improprieties which, at this time, are unsubstantiated.

We feel there are several alternatives available to the student body president and the student senate. To accept the Election in its entirety; to accept only the student body president and board of student publications results; to accept the student body president, board of student publications and student senate results which are above the percentage of discrepancy; or, to invalidate the entire Election.

The election judges are of the opinion that the vast majority of discrepancies are of a negligent rather than of a malicious nature. We further feel that there is no reason to believe that any candidate benefited more than any other.

Respectfully,  
Dr. Dent Wilcoxon

Pat J. Bosco  
Election Judges 1974  
Student Governing Association

In response to the recommendations of the election judges, concerning the discrepancies between the number of ballots cast in the 1974 Election results, I would recommend the Student Governing Association validate Election results of the student body president, board of student publications, and those student senate results which are above the percentage of discrepancy. I would further recommend that Student Senate or the Elections Committee (as its delegated group) determine the exact percentage of discrepancy to be allowed. Finally, I would strongly urge that notification of "undisputed" winners be made by noon, Friday, Feb. 15.

I am in agreement with the opinion of the election judges that the discrepancy is due to negligence on the part of some of the polling officials and not a result of malicious ballot-stuffing for a particular candidate.

No claims of gross misconduct (other than the perennial claims that several people voted twice) have been filed with the Elections Committee. In light of this, there are

those who would argue that the entire Election should be validated. I base my recommendations on the belief that we cannot tolerate this high discrepancy. To allow a 3.9% discrepancy would set a precedence that would, in effect, lower our demand for accurate Elections in the future. This could produce pressures for future Election Committees that would be very difficult to resolve.

Respectfully,  
Joe Knopp  
Student Body President 1973-74

Ernie Locke explained the discrepancy and answered questions.

Frank Ross moved to accept the results of the Election Committee in total.
