PASSED 12/4/75

BY: Mike Relihan

BE IT ENACTED THAT:

SECTION 1. Student Senate shall grant an initial maximum of \$1.50/semester for each full-time student and \$.42/semester for each part-time student to each College Council. The yearly allocation shall be based on the previous year's second semester enrollment.

SECTION 2. A College Council may request additional funds from Student Senate for specific budget requirements if the Council can show sufficient need and case for the increased funding.

SECTION 3. Guidelines for this grant shall include:

- A. All College Council allocations must meet SGA Spending Regulations.
- B. Any funded activity or organization cannot discriminate on the basis of race, nationality, religion, creed, or sex.
- C. Any organization or activity funded by a College Council must be predominantly beneficial to that college's students and said organizations and activities will receive higher priority in the funding process.
- D. Either the Finance Committee Chairperson or a designee of the Finance Committee Chairperson must be present at each College Council's Spring Allocation process.
- E. Representatives of each College Council must meet with the Coordinator of Student Activities prior to their Council's allocation process. At such time, SGA Spending Regulations and University policies regarding the Student Activity Fee will be discussed.
- F. Priority of funding shall be given to organizations or activities not requesting funding for the purchase of capital outlay equipment or inventory items.
- G. Grants of this bill will be administered and allocated by the College Council subject to review by Student Senate.
- H. Failure to meet the above guidelines will cause a Council's allocation to be voided until such time as they are met.

SECTION 4. All College Council's allocation processes will be completed by the tenth (10) full week of the Spring Semester. Each College Council's allocation will be reviewed and approved by Student Senate during the Spring allocation process.

WHEREAS there has been much concern over the wasted space in the SGA Office, and

WHEREAS outside organizations have requested occupancy of this space, and

WHEREAS plans have been completed concerning alterations of the present floor plan which yields space designated for outside organizations

BE IT ENACTED THAT:

SECTION 1. The office design plan, as presented, shall be implemented immediately. Bids for the project will be accepted by October 10, 1975 with a committee making their recommendations to Student Senate by October 23, 1975. This committee will consist of Student Body President, Student Senate Chairperson, Finance Committee Chairperson, Senate Operations Chairperson, and the Coordinator of Student Activities.

SECTION 2. All SGA-funded groups providing social services, excluding SGA standing committees and cabinet members, wanting space in the SGA Office shall submit a proposal to the Senate Operations Chairperson. This proposal shall include an explanation for the need for this space and a definite spacial plan showing minimum area needed. This proposal shall be available to Student Senate upon request and during approval procedures.

SECTION 3. Senate Operations Committee shall re-evaluate spacial arrangements of the SGA Office upon Student Senator's requests or at times it deems necessary. Its findings shall be submitted to Student Senate for approval, at least one week in advance. All groups housed in the SGA Office shall have one week notification of alterations prior to Student Senate action on the changes.

BILL 75/76/26

CONSTITUTIONAL AMENDMENT

BY: Elections Committee

WHEREAS the revised By-Laws to the SGA Constitution explicitly states that “The polls shall be open from 7:30 am to 4:30 pm on the day or days of the election.”, and

WHEREAS this does not allow a sufficient amount of time for the desired turnout of voters

BE IT ENACTED THAT:

SECTION 1. Student Senate amend Article II, Section 1, D, 3 to read “6:30 am” instead of the 4:30 pm as the closing time for the election polls.

PASSED 10/2/75

BY: Steve Koenig (Constitutional Revision Comm.)

WHEREAS the Constitution and By-Laws Committee, in conjunction with Judicial Council, has reviewed the SGA By-Laws

BE IT ENACTED THAT:

SECTION 1. Article VI, Section 2, E. be changed to read:

Student Review Board hears cases or complaints involving off-campus students over university matters and may also hear cases of cross-jurisdiction or cases for which jurisdiction is not otherwise set forth in this section.

NOTE: (the underlined is the new part proposed to be added)

SECTION 2. Article VI, Section 4, B. be changed to read:

The chairperson of the body will set the date of the hearing, exclusive of weekends and vacations, as soon as possible following the Judicial Council's decision designating jurisdiction, allowing the defendant a minimum of two (2) class days to prepare a defense.

NOTE: (the underlined replaces at least five class days)

SECTION 3. Article VI, Section 5, G. (1) be changed to read:

Failure of a defendant to appear will not delay hearing proceedings. Failure to appear or testify at the hearing will not be used as grounds for assessing guilt.

NOTE: (the underlined replaces student)

SECTION 4. Article VI, Section 7, B. be changed to read:

Written appeals must be filed with the Judicial Council by 5 pm of the next class day after the day the decision has been rendered and the defendant has been notified in writing of said decision.

NOTE: (the present section reads: Appeals must be filed with the Judicial Council within one (1) week ((seven (7) calendar academic days)) after the decision has been rendered and the defendant has been notified of said decision)

WHEREAS it has been shown that there is student support for the renovation of Nichols Gymnasium with over 4,200 students signing a recent petition to that effect, and

WHEREAS President Acker has yet to make a decision on a fund-raising drive for the Nichols Gymnasium renovation, and

WHEREAS Student Senate passage of this bill will show student support for the Nichols Gymnasium renovation

BE IT ENACTED THAT:

SECTION 1. Student Senate allocate a total of \$10,000 from the Unallotted Account as a contribution toward the expenditures associated with the art gallery section of the Nichols Gymnasium renovation.

SECTION 2. In the event that there are any major alterations of the present architectural drawings which designate the construction of the renovation, SGA reserves the right to review this allocation and to request the return of any unspent portions of this allocation.

SECTION 3. This money will remain earmarked in the respective SGA reserve accounts for the Nichols Gymnasium renovation until such time as construction actually starts. At that time, Student Senators will review construction plans and take the necessary action to transfer this money into the appropriate university account.

SECTION 4. If, for any reason, the actual construction of the proposed renovation has not started by the beginning of Fiscal Year 1978-79 or in the event that President Acker decided against a fund-raising drive, this money will be returned to Student Senate.

The following shall become an obligation of the Student Governing Association:

YES_____ NO_____

Recreational Services Council, of which the majority membership will always be comprised of students, will implement the necessary requirements to construct and operate an indoor recreation complex. This building is for recreational purposes only and is not to be used for intercollegiate athletics or academic classes. This building is to include: multipurpose areas (basketball, volleyball, badminton, and tennis); 4-wall handball and racquetball courts; dance area; combative area; weight and exercise area; equipment checkout area; recreational services offices; and other recreation activity areas to be operational in approximately 1979.

This building is to be funded in the following manner:

1. A \$6 (per full-time student per semester) fee to begin the Fall of 1976 to help defray the planning and architectural costs of the building.
2. An additional \$6 (per full-time student per semester) fee to begin the Fall of 1977 for a total of \$12 per full-time student per semester to be paid towards the retirement of 30 years bonds for the construction of this building.

3. At the beginning of the semester in which this building will be opened, an additional \$3 (per full-time student per semester) fee will be assessed towards operational costs making the total \$15 per full-time student per semester for the remaining period of indebtedness.
4. Part-time regular semester and summer school students will be assessed 1/2 the current fee for the semester of enrollment.
5. Upon retirement of the bonds, the future of student fee assessment will be determined by the Student Senate.

ENTERTAINMENT POLICIES AND
PROCEDURES**

BY: Bernard Franklin, Chris Badger

WHEREAS the Consultative Committee has approved the following proposal on concerts and campus entertainment, and

WHEREAS it is evident that a committee needs to be established to solve the scheduling conflicts of campus entertainment

BE IT RESOLVED THAT:

SECTION 1. Student Senate approve the following policies and procedures applying to entertainment activities being sponsored by Kansas State University. (For the purpose of this proposal, entertainment activities are those functions engaging professional entertainers and charging admission.):

1. Entertainment activities to be conducted on the Kansas State University Campus or property other than those entertainment activities sponsored or co-sponsored by the Union Program Council or McCain Auditorium must receive approval for KSU sponsorship prior to being scheduled or announced.
2. Approval for KSU sponsorship will be the responsibility of the Vice President for University Development or his designee, who will be approved by Faculty Senate and Student Senate.
3. A Presidential Professional Entertainment Committee shall be appointed with the Vice President for University Development or his designee serving as chairperson. This committee shall have the capacity to review and approve the scheduling of concerts and other entertainment activities. Recommended committee membership: Vice President for University Development or designee; a student representative from the University Activities Board; a representative from McCain Auditorium; the Director of the K-State Union or his designee; and two additional student members to be designated by the Student Body President.
4. The availability on a scheduling basis of physical facilities such as the Field House, Weber Arena, McCain Auditorium, etc. should be determined through the appropriate administrative group.
5. Groups denied permission to hold entertainment events may appeal their case directly to the President.

6. All contractual and financial arrangements associated with paid lecturers, entertainers, or others who provide cultural or entertainment activities must follow standard University business procedures. Contracts are to be signed by the supplier, Department Head and Dean or other appropriate administrators and submitted to the Comptroller's Office, Purchasing Section for approval before either party obligates itself in any manner. The fund and KSU account numbers are to be shown by the Department Head's signature.

WHEREAS there has been great concern about formulating a definite Deadweek Policy, and

WHEREAS Deadweek has historically been a student-generated policy, and

WHEREAS a definite policy is needed to clarify the situation for students, faculty, and administrators

BE IT RESOLVED THAT:

SECTION 1. Deadweek shall be defined as the week before final week in which special academic policies apply.

SECTION 2. No scheduled classroom tests shall be administered during Deadweek.

SECTION 3. This policy shall not inhibit, in any way, the option of individual students and faculty members to work out alternate examination periods which are beneficial to both parties.

SECTION 4. Final examinations, which are scheduled classroom tests, are defined as examinations which display any two of these qualities:

- a. contains a question or questions directly pertaining to information prior to any earlier test
- b. is weighted more heavily than other tests in the course
- c. is chronologically the last test in the course.

**APPROVAL OF ASK LEGISLATIVE
ASSEMBLY DELEGATES**

BY: Bill Studer

WHEREAS there are two vacancies on the Legislative Assembly of the Associated Students of Kansas

BE IT RESOLVED THAT:

SECTION 1. The following people be approved as K-State Delegates to the ASK Legislative Assembly:

Terry Matlack, Phil Palma

PASSED 1/22/76

BY: Bill Studer, Mark Edelman

WHEREAS the Kansas House Committee on Elections has pre-filed legislation which, if passed, would allow for voter registration by mail. The bill, HB 2717, would allow an individual to request an application in person, in writing or by telephone, complete the application and return or mail it to the county election official. Upon receipt of a complete and correct application for registration, the county election officer would register the applicant, if entitled to registration, and send by non-forwardable first class mail a certificate of registration to the applicant at the address shown on the application, and

WHEREAS 65 percent of 468 students randomly surveyed during the 1975 fall registration at Kansas State University supported voter registration by mail as opposed to 19.7 percent against, and

WHEREAS many students find it hard to register in their home districts while attending college

BE IT RESOLVED THAT:

SECTION 1. The Kansas State University Student Governing Association go on record as supporting the passage of HB 2717, and instruct the Student Body President and Student Senate Chairperson to correspond these beliefs to the appropriate legislative committees.

**PROPOSAL FOR A UNIVERSITY TRAFFIC
AND PARKING COMMITTEE**

BY: Student Affairs Committee

WHEREAS the Traffic and Parking Committee is presently under the jurisdiction of Faculty Senate and is not a University Committee, and

WHEREAS matters considered by the Traffic and Parking Committee are of significance university-wide, and

WHEREAS Faculty Senate has requested student input on the following proposal

BE IT RESOLVED THAT:

SECTION 1. Student Senate support and encourage implementation of the following proposal:

1. Abolishment of Traffic and Parking Committee 2005.
2. Creation of an 8000 committee responsible to the President, on the use of space and the development of overall policy regarding traffic and parking. This committee is charged with the formulation of all rules and regulations for faculty, staff, and students; including fees, payment and amount of fines, assigning general and reserved space, and the general enforcement of policy relating to traffic and parking, including consideration of all pedestrian, bicycle, and motor vehicle circulation. The membership is to be composed of 3 faculty members, all chosen by the Faculty Senate; and 3 classified staff members, all to be chosen by the President; plus 3 students chosen by Student Senate. The Chief of Campus Patrol shall serve on the committee as a non-voting advisory member.
3. Members of the new committee shall be appointed for terms of two years on the committee, and these appointments shall be staggered in the following manner: In the first year of the three faculty members, one shall be appointed for a term of one year; of the three students, one shall be appointed for a term of one year. All others shall serve two year terms. At the end of the first year, all succeeding terms shall be for two years.
4. The new committee shall be designated University Traffic and Parking Committee, and shall receive its assigned number through the President's Office. (Throughout this statement, "President's Office" is taken to mean the President or his authority appropriately delegated to the Vice President for University Development.)

5. The committee shall be a policy making body, charged with the formulation of rules and regulations as specified in No. 2 above. It shall have complete freedom in the formulation of these rules and regulations, and shall pass its recommendation to the President's Office without review or approval by any other intervening party.
6. Specifically, the committee shall have the responsibility for determining criteria for the allocation of reserved stalls and other special stalls, designation of restricted parking areas, and the like. Matters pertaining to physical development such as lighting, paving, choice of sites, expenditures of money and so on, shall be the responsibility of the Long Range Planning Committee, although the new committee shall determine the priority among lots and their improvements.
7. All actions of the new committee such as requests for signs or lane and stall markers, requests for printing of rules and regulations, acquisition of stickers, enforcement by the Patrol, and all similar matters related to the committee's delegated authority shall be honored and executed as present.
8. It is to be understood that on matters on major policy changes or fee changes, the Faculty Senate shall be consulted on those matters affecting faculty and staff, and the Student Senate shall be consulted on those matters affecting students. The committee shall also take positive action to assure that various interested groups among students, faculty and staff have an opportunity to provide whatever input they may have on such matters.
9. The Campus Patrol shall remain subject to existing authority in all matters of enforcing these rules and regulations.

**STUDENT SENATE OPINION OF
COLLEGIAN POLL**

BY: Jim Hamilton

WHEREAS this opinion poll is in poor taste, and

WHEREAS this opinion poll may hurt voter turn-out in the upcoming election and referendum

BE IT RESOLVED THAT:

SECTION 1. Student Senate does not think it would be in the best interest of the upcoming Elections that this opinion poll be printed by the Collegian.

(The questions asked in the Poll are found in Proposed Legislation)
