WHEREAS Ahearn Fieldhouse is used by the Department of Health, Physical Education, and Recreation and by the Department of Intercollegiate Athletics and by Recreational Services, and

WHEREAS it is used 136 hours/week and open 20 hours/day (6:00 a.m. until 2:00 a.m. the following day) and

WHEREAS from July, 1976, to June, 1977, there were 146 special events in 96 special event days, and

WHEREAS maintenance takes place between 2:00 a.m. and 6:00 a.m., creating virtually no times for repairs, and

WHEREAS the Press Box facilities are totally inadequate, and

WHEREAS it was opened in the Spring of 1950 with student enrollment of 5,000, and

WHEREAS ticket demand from students exceed seating space, and

WHEREAS Ahearn Fieldhouse is the most over-used facility of its type in the nation, and

WHEREAS the facility does not meet average concert standards, thus inhibiting ticket sales and scheduling of various performers, and

WHEREAS our facility is not comparable to other facilities in the Big 8 Conference, and

WHEREAS building a new facility would free Ahearn Fieldhouse of the Department of Intercollegiate Athletics, thus creating more office space and classroom time for H.P.E.R. and more time for Ahearn Fieldhouse maintenance

BE IT ENACTED THAT:

SECTION 1. Student Senate authorize the holding of a referendum on the following question to be held in conjunction with the Spring 1979 SGA General Election.

The following shall be adopted as responsibilities of the Student Governing Association of Kansas State University.

Student Governing Association shall request the Kansas State University President and the University Long Range Planning Committee, in conjunction with the Intercollegiate Athletic Council, to implement the necessary

requirements to construct and operate an indoor basketball, concert, and all-purpose arena. This building is to meet program requirements, in this order of priority: 1) men's and women's basketball, 2) concerts, and 3) other general University needs such as all-university lectures, convocations, commencements, and Intercollegiate Athletic offices. The Student Governing Association shall be involved in the planning and utilization decisions of this facility at every level.

This building is to be partially funded in the following manner:

1. A \$ 5.75/semester/full-time student and a \$4.50/semester/part-time student increase in the present student activity fee to begin in the Fall of 1981. Summer school students shall be assessed \$1/credit hour/summer school student starting the Summer of 1982. As soon as the Football Stadium Bonds are retired (approximately Fall of 1985) the current assessment of \$4.25/semester/full-time student and the \$.50/semester/part-time student will apply toward payments on a new arena, totaling \$10.00/semester/full-time student and \$5.00/semester/part-time student. The total student contribution will not exceed \$2.5 million which shall be utilized only toward the retirement of a maximum of 30-year construction bonds for a new arena. These monies are not to be used for operating expenses. Upon retirement of these bonds, this assessment will be terminated.
2. If by the Spring of 1981, as determined by a majority vote of Student Senate, no substantial progress toward funding the construction of an arena has been made by other potential contributors (alumni, State of Kansas, private contributors, City of Manhattan, Riley County, etc.), this referendum shall be considered null and void. Therefore, no student funds will be collected for this project. If it is determined substantial progress has taken place toward the funding of an arena, then Section 1 will take effect in the Fall of 1981.
3. The Student Governing Association will advocate the construction of a 17,000 or more seat basketball/multi-purpose arena to be located in the General Sports Complex area.
4. The officers of the Student Governing Association will vigorously petition the Kansas State University Administration and other potential contributors for the additional resources needed to build and operate the aforementioned facility.

BASKETBALL TICKET SALES POLICY

BY: Rich Macha

WHEREAS the 1978-79 Basketball Ticket Sales Policy was less than effective, and

WHEREAS there is widespread disapproval of that policy, and

WHEREAS student input and data has been collected, and

WHEREAS the Basketball Ticket Sales Task Force, made up of one residence hall resident, One Greek, two off-campus students, and chaired by one Student Senator, has proposed an efficient policy with positive changes

BE IT RESOLVED THAT:

SECTION 1. Student Senate endorse the following Basketball Ticket Sales Policy and submit it for final approval by the Athletic Department:

- I. There will be three types of basketball tickets: 1) Group Reserved, 2) Individual Reserved, and 3) Non-reserved.
- II. One ticket will be sold per fee card with the exception of buying for a non-student spouse, then two may be purchased with one fee card. A married student with a student spouse may buy (two tickets but a fee card for both student and student spouse is required).
- III. The total allotted tickets for the reserve section will be divided into 80% for Group Reserved and 20% for the Individual Reserved.
- IV. Tickets for the Group Reserved will be applied for on two specific days (set by the Athletic Department), in which a lottery system will be in effect.
 1. Students will be able to go to the ticket window in Ahearn Fieldhouse where they can fill out an application for no more than 20 tickets and leave the respective fee cards with the person at the ticket window.
 2. While students are applying for Group Reserved tickets, they will also be asked to draw a number which will be placed on their envelope at that time. This number will be this group's number for lottery purposes.
 3. At the end of the two-day period, the ticket window will be closed for Group Reserved ticket applications and the Athletic Department will proceed in distributing tickets, starting with the lowest numbered application and moving to higher numbers until the entire 80% of the reserved tickets are allotted.

Tickets for Individual Reserved and Group Reserved will be allocated on 50-50 preference basis, until Individual Reserved are sold.

4. After all the Group Reserve tickets have been allocated, the Athletic Department will then notify the Collegian of the highest numbered application which received tickets; therefore, students with a higher number than the one published in the Collegian will know they didn't receive tickets and students with this number or lower know that they will receive a reserve basketball ticket.
 5. The Student Governing Association should also be notified of the highest number. In the case that the Collegian does not publish this number, it will be up to the SGA to sufficiently notify the student body of the highest lottery number.
- V. At least one week later, on Saturday, the Athletic Department will then place for sale the Individual Reserve and Non-reserved tickets.
1. The Individual Reserved tickets will be sold at the north ticket window of Ahearn Fieldhouse starting at 8:00 a.m. that Saturday.
 2. Non-reserved tickets will be sold at the east ticket window of the Football Stadium starting at 8:00 a.m. that Saturday morning, also.
 3. Camping will be permitted for Non-reserved tickets.
 4. Any type of "roll call" or line system will be the responsibility of the students who are camping for the Non-reserved tickets.
- VI. The dates of the ticket sales and this policy will be published in the Collegian as an advertisement, in the event that the Collegian does not take it upon itself to publish this policy and the sales dates as a news event.
1. If the Athletic Department will not fund the advertisement, the Student Senate shall allocate specific funding for this advertisement if there is not enough in the general SGA advertising budget.
