**CONSTITUTIONAL AMENDMENT
EXTENDING VOTING PRIVILEGES FOR
STUDENT BODY PRESIDENT AND
STUDENT BODY VICE PRESIDENT TO
STUDENTS AT KSU-SALINA**

BY: Jake Worcester, Mary Bosco, Jason Heinrich, Gabe Eckert, Tracey Mann, Andy Mackim, Bill Muir, and Phil Anderson

SUMMARY: Two years ago, a clarifying amendment to the KSU SGA Constitution disenfranchised the students at KSU-Salina from voting for the KSU SGA Student Body President and Student Body Vice President. Although the Student Body President of KSU-Salina became a constitutionally-mandated member of the KSU SGA Student Body President's Cabinet, students at KSU-Salina currently have no voice in electing the persons who are the direct representatives of the combined student body of Kansas State University before the University President, the State Board of Regents and other bodies.

BE IT ENACTED THAT:

SECTION 1: Article II, Section 201 of the KSU SGA Constitution is hereby amended to read:
201. Any person enrolled in at least one credit hour of class work at the main campus of Kansas State University shall be a member of the KSU SGA and shall have full voting privileges to which each member is hereby entitled. *Any person enrolled in at least one credit hour of class work at KSU-Salina College of Technology shall be entitled to vote for KSU SGA Student Body President and Student Body Vice President at any election.*

SECTION 2: This legislation shall take effect when ratified by six of nine college councils.

SECTION 3: A copy of this bill be sent to Dean of the College of Technology Dennis Kuhiman

**CONSTITUTIONAL AMENDMENT CONCERNING THE
COMPOSITION AND APPOINTMENT OF THE ATTORNEY
GENERAL NOMINEE INTERVIEW COMMITTEE**

BY: Judicial Council and Amie Kershner

WHEREAS The Judicial Branch currently has very little input into the selection of their own branch's leader; and

WHEREAS The proposed system does not affect the system of checks and balances because it still allows for each branch's input and requires Student Senate's approval; and

WHEREAS More input from the Judicial Branch in the selection of its leader would be beneficial for the Judicial Branch as a whole; and

WHEREAS A committee with representation from all three branches who has conducted interviews with the candidates for Attorney General can make a more informed appointment than the Student Body President who did not interview the candidates,

BE IT ENACTED THAT:

SECTION 1. Article 6, Section 601. E. of the Kansas State University Student Governing Association Constitution is hereby repealed.

SECTION 2. Article 6, Section 601. E. of the Kansas State University Student Governing Association Constitution is hereby created to read as:

E. *Selection and Appointment of Judicial Branch Members*

1. *The Attorney General Nominee Interview and Selection Committee shall be composed of the Student Body President and Student Body Vice President (or a member of the executive branch appointed by such officer); two Student Senators appointed by the present Chairperson of Student Senate; two members of the Judicial Branch appointed by the Judicial Council; and the present Chairperson of Student Senate, who shall vote only to break a tie. The Chairperson of Student Senate shall be the chair of the committee. All appointments to the committee shall be subject to approval by Student Senate at its first Student Senate meeting. The SGA Primary Judicial Advisor shall be an ex-officio, non-voting member of the Committee. A quorum of the Committee shall be one voting member from each branch and the present Chairperson of Student Senate. The committee shall interview candidates for Attorney General for the following academic year, subject to approval by Student Senate.*
2. *Unless otherwise provided, the SGA Attorney General, in consultation with the Student Body President, shall appoint members to Judicial Boards. The Attorney General, in consultation with the Dean of Student Life or designee, shall determine which Judicial Boards shall be authorized to hear each case.*

SECTION 2. This bill shall take effect upon ratification by six of nine college councils.

This amount will be set at the level of \$18,000 per year for five years beginning with FY 1999 through FY 2004, at which time the amount and services will be reevaluated by the Privilege Fee Committee and Student Governing Association to determine if the service should continue or be eliminated. The Kansas State University Internal Audit Office will dedicate approximately 1,000 hours per year to conducting audits on the specified Privilege Fee receiving agencies for that year.

A Privilege Fee Agency will be defined as any agency that directly receives funding from any campus privilege fee. The audits will be set on a standard routine schedule and determined by the Privilege Fee Committee in conjunction with the Vice President of Administration and Finance and the Director of the Office of Internal Audit. The order of audits will be determined prior to the beginning of the next fiscal year.

The Kansas State University Office of Internal Audit will utilize the same practices and processes to audit Privilege Fee Agencies as it would for any other university department or organization. At the end of Spring 1999, the Joint Course Information Program Committee shall submit a proposal for continuation of the Course Information Program to both the Faculty Senate and the Student Senate of Kansas State University.

5. Any breach of this agreement by the DEPARTMENT will result in automatic review by Kansas State University Student senate and such review could result in decrease or termination of funding of the BUDGET. The failure of SENATE to exercise any of its rights in any instance shall not constitute a waiver of such rights in that instance or in any other instance.
6. Within 60 days of the end of each fiscal year, the Director of the DEPARTMENT shall submit a written summary of BUDGET expenditures to the Privilege Fee Chair for review by the entire Senate body.

7. No construction of or renovation of a building or facility at KSU is permitted with privilege fees unless the fee was established by a binding referendum vote of the student body. (SGA Constitution Article V Section 510 Letter D and Article XI Section 1105).
8. This agreement shall be governed by and subject to the laws of the state of Kansas.

2. The annual DEPARTMENT privilege fee budget (BUDGET) for Fiscal Year 2001 shall be \$3,014,661.00. An additional allocation of \$40,701 shall be given specifically to maintain a 10% reserve account level for Fiscal Year 2001.

VOICE VOTE ON 9/2/99**

BY: Dustin Petrik

WHEREAS the August 11, 1999, decision of the Kansas State Board of Education to deemphasize the teaching of evolution in public schools has caused a controversy that has attracted nationwide attention; and

WHEREAS this decision will eliminate the theory of evolution from state standardized tests and allow local school districts to determine the curriculum on the subjects of evolution and creationism; and

WHEREAS by allowing each of the 304 local school boards to determine how evolution should be taught, this decision creates the potential for statewide discrepancy in education standards; and

WHEREAS this decision also makes local school board elections a likely site for partisan politics; and

WHEREAS national standardized tests, such as the SAT and ACT, will still contain questions relating to the theory of evolution, leaving Kansas high-school students unprepared for these exams; and

WHEREAS this decision will affect the recruitment of students and faculty to Kansas State University and other institutions of higher learning in the state of Kansas,

BE IT RESOLVED THAT:

SECTION 1. The Kansas State University Student Governing Association strongly urges the Kansas State Board of Education to reconsider its decision to de-emphasize the teaching of evolution in public schools and to eliminate the theory of evolution from state standardized tests.

SECTION 2. A copy of this resolution be sent to the Kansas State Board of Education, Governor Bill Graves, President Jon Wefald, and Assistant to the President Sue Peterson upon passage.

**SUPPORT FOR RECONSIDERATION OF
PROPOSED ROUNDABOUT AT KIMBALL
AND NORTH MANHATTAN AVENUES**

BY: Governmental Relations Committee

WHEREAS the intersection at North Manhattan and Kimball avenues is dangerous, with 68 accidents, 34 injuries and one fatality there since 1991, and the Kansas Department of Transportation has offered to fund construction of a roundabout at that location; and

WHEREAS North Manhattan and Kimball avenues are often used by students to travel to and from campus, and Kimball Avenue is the main link to the KSU sports complex; and

WHEREAS a roundabout would clog traffic at the intersection, especially before and after events at the sports complex, which draw thousands of visitors to the city each year; and

WHEREAS a roundabout would be a poor choice for the North Manhattan and Kimball intersection, which is at the top of a hill; and

WHEREAS a roundabout would be an obstacle to Manhattan's fire and police personnel, who have already voiced their opposition to the project; and

WHEREAS a roundabout would drastically slow traffic on one of Manhattan's arterial streets, as defined by the recent comprehensive transportation study. This would go against the study, which showed Kimball to be an important, high-traffic street running east and west through the city; and

WHEREAS the Manhattan City Commission, by accepting the KDOT proposal, has approved a project that will have a negative affect on the intersection and the city of Manhattan,

BE IT RESOLVED THAT:

SECTION 1. The Kansas State University Student Governing Association asks the Manhattan City Commission and KDOT to reconsider and review the proposed roundabout and explore alternative solutions to traffic at this intersection.

SECTION 2. A copy of this resolution be given to City Manager Gary Greer, Public Works Director Jerry Petty, members of the Manhattan City Commission, Secretary of Transportation Dean Carlson, Vice President of Administration and Finance Tom Rawson, and President Jon Wefald.

**SUPPORT FOR REINSTALLATION OF
FLASHING YELLOW LIGHTS ALONG
NORTH MANHATTAN AVENUE**

BY: Governmental Relations Committee

WHEREAS North Manhattan Avenue between Claim Road and Bluemont Avenue has a high amount of pedestrian traffic and is often crossed by students going to and from campus; and

WHEREAS flashing yellow lights that alerted motorists to crosswalks in that corridor were removed when crews began construction on the street but have not been replaced; and

WHEREAS pedestrians crossing North Manhattan Avenue remain a safety concern to the student body; and

WHEREAS the recent enhancements to North Manhattan Avenue do not decrease danger to pedestrians who wish to cross the street; and

WHEREAS yellow lights boost awareness of crosswalks and pedestrian traffic; and

WHEREAS failure to reinstall the lights has not been justified by city staff; and

WHEREAS the city still has the yellow lights, which could be reinstalled without much replacement cost; and

WHEREAS the city should make every effort to promote safety through this dangerous corridor; and

WHEREAS city staff members say they wish more time to study traffic patterns after construction on North Manhattan and Anderson avenues is complete, but the flashing lights are a separate safety issue and should be replaced as soon as possible,

BE IT RESOLVED THAT:

SECTION 1. The Kansas State University Student Governing Association strongly urges the city of Manhattan to reinstall the flashing crosswalk lights along North Manhattan Avenue between Claim Road and Bluemont Avenue.

SECTION 2. A copy of this resolution be given to: City Manager Gary Greer, Public Works Director Jerry Petty, members of the Manhattan City Commission, Vice President of Administration and Finance Tom Rawson, and President Jon Wefald.

WHEREAS the Pledge of Allegiance is recited at the beginning of each Student Senate meeting; and

WHEREAS it would sound better if everyone said the pledge in unison, without confusion; and

WHEREAS there is not a comma between “one nation” and “under God” in the Pledge of Allegiance (according to United States Code), but there should be because it would sound better; and

WHEREAS who are we to do that?; and

TO THE FINE ARTS COUNCIL**

BY: Allocations Committee

WHEREAS the Allocations Committee held a regularly scheduled meeting to which members of the Fine Arts Council were invited to discuss the concerns of the Student Governing Association relative to the Fine Arts Council; and

WHEREAS at the aforementioned meeting, the members of the Fine Arts Council indicated the Fine Arts Council itself would likely be willing to make changes to the structure and operations of the Council from within in working with the Student Governing Association to address concerns; and

WHEREAS the Allocations Committee has determined that the best immediate course of action is to allow the Fine Arts Council the opportunity to make such changes,

BE IT RESOLVED THAT:

SECTION 1. The Student Governing Association of Kansas State University recommends the following changes in the Fine Arts Council Bylaws and procedures:

1. Only student members of the Fine Arts Council should have the power to vote.
2. The membership of the Fine Arts Council should be adjusted such that the ratio of student members to faculty members is not less than 3:1.

BY: Travis Lenkner, Mary Bosco, Crystal Campbell, Carlton Getz, Steve Hall, Dustin Petrik, and Jake Worcester

WHEREAS Student Senate makes decisions that affect every Kansas State University student, and senators are charged with representing those students; and

WHEREAS Open Period is a valuable part of the Student Senate agenda that allows student and others without speaking privileges to express views that senators might not hear otherwise; and

WHEREAS the Student Senate agenda often includes several important pieces of legislation that take considerable time to present and debate; and

WHEREAS Open Period, while important, often grows lengthy and takes away from other important aspects of Student Senate meetings; and

WHEREAS it is not unreasonable to ask Open Period speakers to present their remarks in a timely fashion and to follow a generous time limit; and

WHEREAS senators and the students they serve would benefit from such a limit, which would allow important ideas to be exchanged but would also promote efficient meetings that make good use of everyone's time,

BE IT RESOLVED THAT:

SECTION 1. The Student Senate Standing Rules be amended to read as follows:

42-1303. Open Periods

A. Each regular meeting of Student Senate shall begin with an Open Period, during which any individual without speaking privileges may address Student Senate. **RESOLUTION CONCERNING THE
FINE ARTS COUNCIL BY-LAWS
AND FUNDING REGULATIONS**

BY: Ted Conrad, Gabe Eckert, Jake Worcester, Jason Heinrich, and Mary Bosco

WHEREAS concerns have been expressed through legislation and by members of Student Senate concerning the procedures for voting and student group allocations made by the Fine Arts Council; and

WHEREAS the Fine Arts Council and Student Senate have had individual and joint meetings to discuss these concerns; and

WHEREAS it is within the authority of Student Senate to suggest changes to groups and organizations that were created by Student Senate,

BE IT RESOLVED THAT:

SECTION 1. The following amendments to the Fine Arts Council by-laws and funding regulations are suggested by Student Senate:

1. The removal of faculty votes on student group allocations. Student Senate feels as though the opinion of faculty is quite relevant on all matters, but the right to vote on allocations of student monies should be a student matter.

2. The restructuring of student membership on the Fine Arts Council to increase student leadership, yet keep the total numbers the same. Elected student positions should be reduced to two (with staggered two-year terms), while three elected student senators should be appointed by the Student Senate chair (subject to the approval of Student Senate) to make up the difference. The student body president should appoint four students, subject to the approval of Student Senate. The chair of FAC should continue to be elected at the first meeting of the newly-constituted council from among the student members.

3. The 15% carry-forward allowance for each intity supported by the Fine Arts Fee should remain unchanged, but carry-forwards in excess of 15% should revert back to the general privilege fee reserve account. "Emergency allocations" may be obtained through the Privilege Fee Committee. The current balance of the FAC reserve account would remain unchanged, but the account would not be added to.

40

SECTION 2. The Fine Arts Council should consider and pass these recommended amendments to the Fine Arts Council by-laws and funding regulations before December 1, 1999. If not, Student Senate will consider passage of legislation to enact these amendments.

WHEREAS numerous studies have found that tobacco smoke is a major contributor to indoor air pollution, and that breathing secondhand smoke is a cause of disease, including lung cancer, in nonsmokers. At special risk are children, elderly people, individuals with cardiovascular disease, and individuals with impaired respiratory function, including asthmatics and those with obstructive airway disease; and

WHEREAS health hazards induced by breathing secondhand smoke include lung cancer, heart disease, respiratory infection, and decreased respiratory function, including bronchoconstriction and broncho-spasm; and

WHEREAS in December, the Kansas Board of Regents approved a second tuition increase for FY 2001 to offset a proposed state budget rescission; and

WHEREAS students feel the increase was hastily proposed and approved without their input, but understand the necessity of the increase in light of the state's difficult financial times; and

WHEREAS the revenue generated by the increase in fiscal year 2001 is slated for use as part of the university's base budget; and

WHEREAS some legislators and students at other universities have proposed earmarking some of the additional tuition revenue for need-based financial aid; and

WHEREAS such an appropriation would result in a net decrease in the university's base budget for fiscal year 2001; and

WHEREAS that decrease would result in a lack of resources that would adversely affect academic quality, class size, and course offerings for students in the 2000-2001 academic year; and

WHEREAS an increase in financial aid support coupled with a decrease in the base budget would result in K-State's record enrollment continuing without providing funds to support the costs associated with the additional students.

BE IT RESOLVED THAT:

SECTION 1. The Kansas State University Student Governing Association opposes any proposal that would use tuition increase revenue to pay for need-based financial aid or other supplemental programs in fiscal year 2001.

SECTION 2. The Kansas State University Student Governing Association will continue to advocate for additional need-based aid from other state funding sources.

SECTION 3. The Kansas State University Student Governing Association supports the Kansas Board of Regents' creation of a financial aid task force to study the state financial aid system and generate proposals to improve access to higher education in Kansas.

EXAMS HELD OUTSIDE OF SCHEDULED

WHEREAS these classes do not have the same potential for academic dishonesty as classes
