COMMITTEE TO EVALUATE DRUG SERVICES AVAILABLE TO KSU

STUDENTS - Special Report - The committee was established as per Senate Bill 79/80/11. Committee members included: Dr. Bob Sinnett, Kim Johnson, Dr. Tony Jurich, Steve Hentges, Dave Exline, Cliff Gilbert – co-chairperson, and Pam Warren – co-chairperson. Individual members met with various knowledge sources in the Manhattan/KSU communities to obtain information. Pam Warren met with Dr. Dennis Reitz of the North Central Kansas Guidance Center, Cliff Gilbert met with Joyce Libra and Roger Burnbaum of Lafene Student Health Center, Steve Hentges met with the Riley County Police Dept. and KSU Traffic & Security, and Dave Exline met with Dr. Ublarik an Assoc. Prof. in the Dept. of Psychology. A survey was conducted in the Collegian over the summer and they received 13 replies. Also, a phone survey was conducted of 50 random phone calls to students based on the Collegian survey. The survey results are available in the SGS Office. The committee decided that there are various sources available to the KSU student to obtain drug education, but there is a definite lack of coordination in channeling or advertising the information to the students.
