

# **AMETH 560:** **Race and Sports Mascots**

**Dr. Harrison**

**MWF: 10:30-11:20**

Sports play an integral learning experience for players and spectators. All levels of sporting organizations have experienced problems and issues that were and are based upon the color of skin. These organizations support create laws that follow the majority of societies ideology. This course examines sports initial creation, development, and expansion up to present day.

Professional leagues, college and universities, high school, middle school and elementary schools all participate in sporting activities. Focusing on examples from all sporting groups allows student to discussed and analyze what worked and didn't work with each supporting organization.
