The following also needs to be considered in the College-level general education requirements:

- The social science courses need to be from three different disciplines.
- One social science course must be 500+ or carry a prerequisite in the same department.
- One of the general education courses needs to fulfill the International Overlay requirement.

*** The quantitative electives must bring the statistics core classes to 50 credits (the number of classes required to do this may vary). Courses must be at the 400-level or above and may include IMSE 541, IMSE 785, ECON 630, math, computer science, statistics (excluding 701 and 703) or a course in another area with substantial quantitative content (ask for approval).

* The quantitative electives need to fulfill the International Overlay requirement.

The BS also requires 120 credits; 45 in upper-division courses. Additional courses may be needed to fulfill this requirement.

Total Hours: 120+
