

Drones and Geoscience Workshop

K-STATE's Rural Education Center (REC) & **KU's** Center for Remote Sensing of Ice Sheets (CReSIS)

*are teaming up to offer a workshop for teachers and students
to learn about Geoscience careers and drones.*

The workshop will be asynchronous and in-person with hands-on events. We will present information through a series of videos and then have a live demonstration day at the KU campus and Lawrence Airport.

*This workshop is **FREE** to our **Rural PDS** partner schools.*

Details:

- **Participants**: 2 teachers and 2 students from each district.
- **Remote Learning Dates**: Available starting April 22nd
- **Hands-On Activities at KU Campus Date**: June 2-3, 2022
- **Lodging in Lawrence**: One night of lodging and per diem included.
- **RSVP**: by April 19, 2022

For more information, contact Spencer Clark: jspencerclark@ksu.edu

**This workshop is sponsored by a grant from the National Science Foundation.*
