

Student Organization Annual Survey for 2019-2020

Center for Student Involvement, Kansas State University

You can expect to be asked about the following topics when completing the survey:

- **General Info**
 - Student Organization Name (no acronyms please)
 - Organization's Twitter handle
 - Organization's Instagram account name
 - Is your organization a DSO or an ISO
- **Annual Report Info**
 - Conferences or competitions attended
 - Titles of any presentations your org gave at conferences this past year
 - Title of any competitions won and location of the competition
 - Awards your org received this past year and the name of the organization who conferred the award
 - Name and topic of presentation for any guest speakers your org hosted this past year
 - Types of events your org hosted this past year
 - Any other accomplishments you want us to know about your org
- **Advisor Impact**
 - How has your advisor impacted your organization this year?
- **Personal Impact**
 - You will be asked to rate the impact your involvement in your organization has had on you skills in the following areas: Career Development, Communication, Diversity, Leadership, Problem Solving, Teamwork
 - The impact your involvement in a student organization has had on your experience at K-State
- **Wrap-up**
 - Anything else you would like the Center for Student Involvement to know
