

On Test Day

It is important that all test takers know what to bring to the Test Center on test day. To help you eliminate anxiety and common stressors and to improve your testing experience we recommend the following:

Only bring what is required for testing (you must read your admission or confirmation notice for this information. For proctored exams you must read your course syllabus).

- Identification
- Admission document
- Confirmation document
- Calculator – only when authorized
- Books – only when authorized
- Notes – only when authorized

If you are authorized to take a break during the exam you may bring a small snack and a drink with you. Unless expressly stated in the client policy for your exam, you will not be permitted to leave the exam room or the Test Center during testing.

DO NOT BRING

- Cell phones
- iPods
- Laptops/iPads/Tablets
- Children
- Pets
- Guests/family members
- Oversized bags, briefcases, or purses

Remember. The fewer items you bring to the Center the less of a chance that you suffer a loss or damage to your personal belongings. The Center and its staff will not take responsibility for any person or item brought into the Center if it is lost, stolen, damaged or injured on Test Center premises.
