

Kansas State University's Testing Center Required Identification List

In order to receive services at the Test Center you must present one form of state or Government Identification that meets the following criteria:

- a) Unexpired
- b) Bears a recognizable photo of the individual
- c) Displays accurate demographic information of individual (date of birth, gender, height.
- 4) Contains a signature (Military CAC exempted).
- 5) Cannot be mutilated or show evidence of tampering (replaced photo).
- 6) Must be in a form that can be inspected (not enclosed in a wallet or attached to the individual's body by any means, on an electronic device of any kind).

Examples of acceptable identification include: State driver's license, valid passport, State identification card, State of Kansas Conceal Carry permit, Military Common Access Card, United States Passport Card, Permanent Resident card and Native American Identity Card.

Because exam vendors require specific identification for admissions, it is important that you carefully review and comply with the identification requirement for each exam you plan to sit. The Testing Center CANNOT and WILL NOT grant exceptions to vendors' identification requirement policies.

The chart below provides a list of exam identification requirements for exams that are commonly administered at our facility. **We strongly encourage you to review the requirement for each vendor/provider.**
